veal our famous inner

at Foreman and Clark  
is as fine, in point  
and tailoring, as any gar-  
ment, in the clothing in-  
dustry! Find this out  
on any impartial custom  
clothing man with you!  
it. We stand behind  
it. We don't know any way  
the one we propose on  
ge, to show it and prove  
clothing buyers!

Tear out this  
page and take  
it with you

as a guide. It tells you  
in advance what you'll  
find in a Foreman and  
Clark garment. Look  
for these features in  
any other suit at any  
price.

A-Pliable Belgian canvas  
coat body, instead of stiff  
cotton canvas.

B-Genuine silver Hyma  
instead of loosely woven  
aircloth.

C-One-eighth inch lock-  
stitch lapel, three fine  
rows of parallel threads in-  
stead of one or two.

D-Hand shaped, hand  
felled, one-piece collar.

E-Inverted V-curve coat  
skeleton supporting low  
area of skirt, as human  
muscles support the body.

F-Duo-stitched,  
braced pocket flap, double  
strengthening against sagging  
and tearing.

G-Combination edge and  
skirt stay, starts where  
the average stay stops.

REMEMBER THIS

# DIFFS STAND FIRM AGAINST FRANCO-SPANISH DRIVES

Rebel State Shows Indomitable Spirit Against Forces of Two Enemy Nations

BY VINCENT SHEERAN  
(BY CABLE—EXCLUSIVE DISPATCH)  
(Copyright, 1925, by the North American Newspaper Alliance)  
RIFF GENERAL HEADQUARTERS, TARGHUIT, Sept. 9 (By Courier to Tangier, Sept. 24).—Bombarded on all sides by sea, land and air and cut off from all supply centers of food, arms and ammunition, Abd-el-Krim's little rebel state is carrying on. It is not only carrying on but is actually displaying greater spirit and greater unity in the face of these new dangers than it showed when Spain alone was the enemy.

BY A. P. NIGHT WIRE

### Charred Remains of Building After Detonation

Debris of structure at 2729 North Main street after mystery blast lifted it into air and started fire which for a time threatened neighboring buildings. Thousands of persons thronged the scene of near-rank obtained for some time

## RIFFS MAKE FIRM STAND

(Continued from First Page)

terrace of the Hotel Cecil at Tangier, where groups of English tourists were idly watching the gunboats of three nations as they rode at anchor in the sunny harbor. A certain Riff tribesman happened to stroll along the pavement beneath the hotel terrace. He looked up vacantly once or twice, then started to walk away toward the beach where Tangier's many sightseeing visitors disport themselves under the African sun.

### CHANGES COSTUME

I strolled along after him to the end of the beach, where he turned sharply into the sand dunes and began to stride along at a brisk pace. Fifteen minutes later

caught up with him between two large hollow dunes. Here a silent and swift operation took place. The tribesman opened a bundle which he was carrying under his arm, and in three minutes I had donned a huge, shapeless gown, the

With my hood pulled well down over my face I returned to the promenade, again following my silent guide until he led me into a small house in the Arab quarter of the town, toward the outskirts

Here an aged Arab woman, one of Abd-el-Krim's regular agents put me through a severe examination and gave me a few last instructions about how to pass.

**SHOWN IN DRIVE .**  
LONDON, Sept. 24.—A move was seen here today to end the Rifian war in reports from Morocco which indicate that the

Spanish advance to the hills beyond Alhucemas Bay is the first move in the general offensive inaugurated by Marshal Petain with the idea of taking Abd-el-Krim by the heels before the torrential

In military circles here it is declared that Petain's plan involves a French advance northward from Kifane to the valleys of the Neko and Guis Rivers and later a junction with the Spaniards for an at-

**AFTER BETTER TERMS**  
If all the movements are completed within a fortnight there

no doubt here that Abd-el-Krim will be forced to plead for peace. It is believed, however, that he will fight on with a good chance of holding out until spring, when he would obtain better terms than if he submitted to the present offer.

The latest reports indicate that the Rifian ammunition is running low, making the continued defense of Adjir impossible. Both the Spaniards and the French are well supplied and are able to hunt

a continuous rain of shells on the  
Riff capital. The Spanish position  
at Alhucemas Bay is greatly  
improved.

## READY, JEFFERSON? ACTION! CAMERA!

With prospects of a "bigger and better" season in the immediate offing, the Jefferson Democrats, pictured extensively below, are ambitiously preparing for the whistle which will start them on their way. Top photo shows the first stringers in one of the intricate movements of the Stag "Shimmy Shift," which Coach Fryer, a Chicago man, has drilled into his hopefuls. That the Dems do not intend to let any chance fumbles escape is amply demonstrated by the manner in which Edelson and Allensworth are diving after the elusive pellet in the center oval. Harry Edelson, stellar quarterback, is on the right receiving a pass from the hands of one of his team-mates. Below, not the four horsemen, exactly, but at any rate, a quartet of Shetland ponies—Edelson, Briggs, Seely and Allensworth, the Jefferson backfield.

## RULE JEFF GRID STAR INELIGIBLE

### Democrats Lose Passer; Coach Fryer Announces First Stringers

Old Man Eligibility's axe descended violently among the football players at Jefferson High School yesterday and lopped off one of Coach Fryer's six letter men. It wasn't the loss of the single man that hurt, so much as it was the fact that George Buttrick, the unfortunate lopper, was Fryer's sole and only passer. Consequently, the Democrat attack is severely damaged, and Fryer and Jim Pussell, his assistant, are anxiously casting about in an effort to secure a capable sub.

## WILLIAMS REPLIES TO RAPS AT LEAGUE UMPIRING STAFF

(Repeated raps at the work of the umpires in the Pacific Coast League have caused Harry A. Williams, proxy of this thriving baseball circuit, to come out of his shell of silence and peck out on his Coronado a reply to all the rappers. Here is Williams' version of the Coast League situation which he wrote at the request of The Times.)

BY HARRY A. WILLIAMS, Coast League President

Last season the Coast League in point of attendance broke all minor league records. This season it has been somewhat lighter as have things in nearly all other lines. But the two seasons combined exceed any other two in the league's history.

My one thought has been for the league as a whole. No club owner has been shown special favors. Friend, foe and neutral have been accorded exactly the same treatment. And I will say that not one club owner has asked for special favors. I challenge any one to point to one discriminatory act on my part. The books show that my administration has been a sound one from a business standpoint with many needless expenses curtailed. If looking after the league's money is a crime

(Continued on Page 2, Column 3)

## MIDWICK FOUR IN POLO WIN

### To Meet Meadowbrook Team in Semifinal Contest for National Championship

(BY A. P. NIGHT WIRE) PHILADELPHIA, Sept. 24.—By their victories today the Midwick polo team of California and the Meadowbrook quartet of Long Island, entered the semifinal round in the tournament for the twelve goal championship of the United States.

Midwick defeated Bryn Mawr nine goals eight after a hard battle at the Philadelphia Country Club field, while Meadowbrook eliminated the Philadelphia Country Club, 12 to 8, at the Bryn Mawr field.

Fort Leavenworth and Fort Bliss meet in one of the semifinals tomorrow and Midwick and Meadowbrook in the other on Saturday.

The Bryn Mawr players forced Midwick to the limit. They staged a brilliant rally in the last two periods, scoring twice in each and holding Midwick to a total of one goal in the two chukkers.

The line-up and summary:

(Continued on Page 2, Column 3)

## SENATORS WILL TACKLE BUCS IN WORLD SERIES

### Washington Hurlled to Twin Win by Reuther, Ferguson While Browns Are Eliminating Athletics

(BY A. P. NIGHT WIRE) WASHINGTON, Sept. 24.—Washington captured its second consecutive American League pennant today and will face Pittsburgh, which clinched the National League title yesterday, in the world series starting at the latter city, October 7.

## OBSERVATIONS

BY THE INNOCENT BYSTANDER, BILL HENRY

A TROJAN alumnus and former major sport captain whose name we withhold at his request writes: "Somebody ought to rip the hide off Fay Thomas instead of writing sob stuff about his heroism in admitting that he has played professional baseball. Students and sport writers who take this attitude are encouraging professionalism and tearing down the standards of our college athletics. The fact that a lot of college boys play professional ball is no excuse for Thomas doing it, and anyone who claims that the crime lies chiefly in having been caught at it is encouraging disloyalty. Thomas has done no harm to U.S.G. by deliberately giving the enemies of the school another chance to point out professionalism among our athletes."

We have no desire personally to get mixed up in the Thomas case, and don't know much about it beyond the fact that Thomas apparently has admitted having played professional baseball this past summer. It is undoubtedly true that many other college athletes have done the same thing and haven't been caught at it. However, it does seem to us that after a man has reached his majority and has been exposed to the high idealism that goes with the modern college he would have sufficient courage and respect for the standing of the school he represents

The American League race ended suddenly as the champions took two games from Cleveland today while St. Louis came from behind to nose out Philadelphia, sole remaining contender, in an eleven-inning contest.

It happened so quickly that apparently none but the rabid fans who had figured out the mathematical chances of Washington and Philadelphia were aware that the Senators had won the pennant. The good-sized and solidly demonstrative crowd walked calmly from the field, only a few rushing to Manager Harris and President Clark Griffith with congratulations.

Not so with the players. Although they had counted the pennant all but won with an eight-game lead over the Athletics, there was real jubilation in the dressing room. Smiling broadly, Manager Harris directed that all the regulars appear as usual tomorrow to start against St. Louis in the three-game series.

"It is a great feeling," Harris said. "It is a great relief to have it over and I am certainly proud of the team."

The youthful pilot who won the world's series last year in his first attempt at managing, directed today's game from the bench. He has a badly lacerated finger on the throwing hand and there is some doubt whether he will be able to start at his position at second base in the world series.

The veterans "Dutch" Reuther accounted for the first game today, scoring his eighteenth victory of the season. The champions had to go ten innings, however, to defeat Sherrill Smith, 4 to 3. Alex Ferguson, Boston and New York catcher, turned in the second and pennant-clinching contest, 6 to 3. He seldom was in trouble after the second inning and received great support from the patched-up team behind him.

Besides Manager Harris, Roger Peckinpaugh, shortstop, is out of the game with a sprained ankle. Adams and Scott played in their places.

Few of the regulars will be taken on the trip to Boston early next week for the four-game series

## LOCAL LAUGHS

Each week The Times produces a film entitled "Local Laughs" consisting of the funniest jokes submitted by local people. Weekly prizes are paid of \$5, \$10, \$25, and (twice of \$1 each). A list of theaters showing the film, together with names for submitting jokes, are given daily in a coupon in The Times. Prize-winning jokes, and names and addresses of winners, appear only on the screen. Jokes receiving honorable mention will be given a place of honor on The Times comic page each week-day, and each of these contributors will receive a souvenir of acknowledgment.

**Rancher, Wife Burn to Death, Children Saved**

(EXCLUSIVE DISPATCH) CHESTER (Mont.) Sept. 24.—Mr. and Mrs. Bert Axness, ranchers, were burned to death when their home was destroyed. Mrs. C. L. Mockrid, mother of Mrs. Axness, succeeded in saving her own life and those of the seven Axness children, ranging in age from an infant to a girl 8 years of age.

The fire started when the father lighted kindlings with coal oil. He became a living torch and his wife, rushing to aid him, also was fatally burned.

**LIGHTNING BOLT FATAL**

(EXCLUSIVE DISPATCH) JEROME (Ariz.) Sept. 24.—About a month ago, Lucas Martinez was found on the plain near Wickenburg, where he lay unconscious for three days, after having been struck by lightning. Brought to Jerome, he died in the United Verde Hospital. For years he had been a resident of this locality where he leaves two sons.

**STARS SEEN IN NEW QUARTERS**

October Skies Show Changes of Zodiac Folk

Southern Constellation in Brief Stay Here

Venus Takes Up Wanted Role as Evening Planet

(BY A. P. NICHOL WIRE) WASHINGTON, Sept. 24.—Just as with a lot of folks, October is moving time with the stars. Above the eastern horizon soon will appear the brilliant stars of early winter. The fall trek is in order.

On October 7, Jupiter will be in quadrature with the sun, that is, 90 deg. east of the sun and on the meridian due south at sunset. Mars has left the evening sky and is on the far side of its orbit from the earth, 256,000,000 miles away. The Big Dipper will be far over the northern sky.

The Milky Way may be traced on clear, dark evenings in October diagonally across the heavens from the northeast to the southwest horizon. Far over in the southeast will appear the brilliant Fomalhaut in the constellation Piscis Austrinus, the Southern Fish, which is visible in American latitudes only for a brief period in the fall and early winter. Fomalhaut is one of the twenty brightest stars in the heavens.

October star gazers, says a bulletin of the American Nature Association, will find that the constellation of Capricornus, the Sea Goat, and Aquarius, the Water Bearer, two constellations of the zodiac that contain no stars brighter than the third magnitude, have taken the places of the brilliant zodiacal groups of Scorpio and Sagittarius that were conspicuous in the southern sky during the summer.

Venus, which has been visible in the western sky after sunset since late in June, will be seen as the evening star in the southwest for about two hours after sunset.

Saturn will be seen for a short time after sunset a little to the northwest of Venus, but before October has passed it will be too close to the sun to be seen in the twilight. Jupiter still is directly north of the little inverted milk dipper, and it will be next to Venus, the most brilliant object in view in the southwestern heavens in the early evening.

**STANDARDS ACT RULINGS SUPPORTED**

County Supervisors Back Stockton Man in Quarrel With Grape Growers

(EXCLUSIVE DISPATCH) STOCKTON, Sept. 24.—County Horticulture Commissioner Herbert Spangenberg and his enforcement of the State Standardization Act as applied to the shipping of grapes, were upheld by the County Supervisors ending a controversy of several weeks standing between 150 grape growers of the Stockton district and Spangenberg's office.

Spangenberg's interpretation of the State law in regard to the inspection of grapes was the cause of the controversy and was a result of complaints filed in which his removal was asked.

At the time the complaints were filed, the Supervisors expressed sympathy for the complainants, but other grape growers in other districts of the county rushed to Spangenberg's aid, emphasizing that his work has been beneficial to the county. The Supervisors also found that they have no power to remove Spangenberg from office and that the State Department of Agriculture, the only power which could remove him, was well satisfied and in sympathy with his enforcement of the Standardization Act. It is therefore unlikely that the dissatisfied growers will take any further action in the matter.

Spangenberg's enforcement of the act is more rigid than that of the State department but those who support him declared he is raising the standard and that in this county, much to the benefit of all growers.

**INSURANCE BENEFIT AIM OF NEAR SUICIDE**

PHILADELPHIA, Sept. 24.—A message found in the pocket of a man who tried to commit suicide here indicated he planned to end his life so his life insurance might benefit some one.

On a letter bearing the name Alfred Kellogg, was scribbled: "This tells the story of my not going to Buffalo their way and that stops me. I hope the doctor will be satisfied. Love the kids for me. Good-by. Joe. I've got to get you some. My life insurance is the only way." The note was unsigned.

The man, apparently about 32 years of age, took poison and was found unconscious on the street. At the Hahnemann Hospital it was said he will recover.

**SURVEY FINISHED FOR RAILROAD EXTENSION**

(EXCLUSIVE DISPATCH) BEAUMONT (Tex.) Sept. 24.—At a special meeting of the stockholders and board of directors of the Waco, Beaumont, Trinity and Sabine Railway Company the engineering department made a report that the survey for the proposed extension of the line from Weldon to Waco, 108 miles, is completed and that most of the right of way has been obtained. The board of directors adopted a resolution authorizing an application to the Interstate Commerce Commission for a certificate of public convenience and necessity to build the road. This application will be filed immediately.

"DIRECT-UP" will direct you to the places that sell A-B Ginger Ale or any advertised product. Write or phone The Times, Metropolitan 0700.

**Coast Woman in Paris Victim of Daring Robbery**

(BY CARL—EXCLUSIVE DISPATCH) PARIS, Sept. 24.—Mrs. George Roeding of Piedmont, Cal., was the victim of a sensational robbery late this afternoon when her letter of credit for \$8000, as well as \$500 francs (\$75) in currency, was stolen while she was reading letters in the reception room of the American Express Company in the heart of the city. While reading letters from home, Mrs. Roeding, who had just arrived from Geneva, left her bag, containing her personal effects, on the table.

The loss was not discovered until she left the building. Mrs. Roeding's three daughters recalled nothing three men seated close to their mother's handbag. The thieves also took Mrs. Roeding's French identity card, presumably in order to get a copy of her signature.

**GOES THROUGH BRIDGE**

(EXCLUSIVE DISPATCH) TEMPLE (Tex.) Sept. 24.—A large motor truck of the Russell Transfer Company of Temple, crashed through a bridge on the road between Temple and Waco, and fell to the creek bed, a distance of twenty feet. The truck was loaded with household furniture en route to Dallas. The driver was not injured.

**Convict Makes Second Escape in Few Weeks**

(EXCLUSIVE DISPATCH) SALEM (Mass.) Sept. 24.—Frank Currie, 24 years of age of Gloucester, who made his escape from the State Hospital prison camp at Tewksbury several weeks ago and was arrested in Gloucester, a few days ago, has made a second escape at the entrance of the jail here.

He was in Lowell District Court in the morning and sentenced to six months in Salem jail for his escape from Tewksbury. With Superintendent Giles of the camp and Chief of Police Kelley of Tewksbury he came over the road by auto here. Giles was operating the car, with the chief and Currie in the rear seat. Currie was not handcuffed.

As the car reached the entrance to the jail he leaped out and made a getaway. He is still at large.

**NIGHT SCHOOL POPULAR**

(LOCAL CORRESPONDENCE) HUNTINGTON PARK, Sept. 24.—The first week of the night school in this district shows an enrollment of 800 students, and it is given out that a faculty of forty-five is required to take care of the different classes. The most popular night classes, according to Charles L. Johns, vice-principal, are the classes in the commercial, the physical education, and the mechanical arts departments. Of the culture classes, sixty people are taking Spanish.

# Startling Conditions Uncovered By the Churches' Fearless PROBE OF PROHIBITION

JUST WHEN THE AMERICAN PEOPLE had almost despaired of getting from any source a truly unprejudiced report on the results of the first five years of Prohibition, The Federal Council of Churches of Christ in America, an organization friendly to the Eighteenth Amendment and the Volstead Law, issues a thirty-thousand word document on the subject which, by its temper and method, wins tributes of praise from the camps of both the wets and the dries.

## How It Strikes the "Wets"

In the opinion of Capt. William H. Stayton, President of the American Association Against the Prohibition Amendment, "the report is frank and truthful." "The frank and unbiased testimony of the Rev. Frederick Ernest Johnson, an advocate of Prohibition, who signs the report, came as a novel and refreshing experience to *The Minute Man*," remarks William L. Fish, editor of that anti-Prohibition organ.

## What the "Drys" Think of It

But at the same time S. J. Fickel, Editor of *The American Issue*, and F. Scott McBride, General Superintendent of the Anti-Saloon League of America, agree that "in the main the report gives the real situation and shows clearly the duty confronting the church forces of the country today." Press comment, while differing in the lessons it draws from The Federal Council's report, agrees in the main that it represents the most notable and successful effort yet made to give the public the facts of this complex situation without fear or favor.

A summary of the complete report of the Federal Council of Churches, together with public opinion upon it as expressed through the newspaper press of America, is published in "The Literary Digest," this week, September 26th number.

**Correct weight**  
can be yours

**be shapely!**

I DO NOT want to be thin! I just want to be right weight! I want these hollows filled out. I just want enough firm, plump flesh on my bones to fill out my figure.

Of course you do. You want a figure that you can drape your clothes on—not just hang them on! What's the use of having pretty clothes, if they just hang on you?

And what would you say if you were told you could have the figure you want? A graceful, well rounded body—firm, solid flesh—just enough—just your right weight? You'd be mighty happy, wouldn't you?

Well, then, be happy—because you can have it! Put plenty of red cells in your blood and watch your weight go up to where you want it! That's what the matter with you! Your blood is impoverished. You need more rich, red blood. S. S. S. is the thing to put red blood in your system. S. S. S. helps Nature build red-blood-cells by the millions.

You just try S. S. S. and watch how quickly you begin to fill out your clothes. Notice your skin clear of unsightly blemishes—your appetite increases—your strength comes to flabby muscles and vim and vigor fill your whole system.

It's red blood that does it. And S. S. S. surely helps Nature build that red blood. S. S. S. is sold by all drug stores. The larger bottle is more economical.

He doesn't want to hurt you

The people who are afraid of the dentist are the people who do not consult him until they have toothache. Your dentist is more interested in protecting your teeth than he is in repairing them. Go to him regularly for examination and you will escape a lot of pain and trouble.

**4 out of 5**  
is grim pyorrhea's count

DENTAL STATISTICS tell this grim story: four people out of every five are destined through neglect, to contract pyorrhea after they reach the age of forty. Thousands younger also suffer.

Pyorrhea is the dread disease of the gums which is responsible often for loss of teeth, rheumatism, neuritis and other dangerous disorders.

It starts with tender bleeding gums. Pockets form below the teeth and poisons spread relentlessly through the body.

If you have pyorrhea or any of its symptoms see your dentist at once and

start brushing your teeth with Forhan's for the Gums.

To safeguard yourself against pyorrhea make Forhan's your regular dentifrice. It is the formula of R. J. Forhan, D.D.S., and contains his pyorrhea liquid which has been used by dentists for the last 15 years in the treatment of pyorrhea.

If used regularly and used in time it will prevent pyorrhea or check its course. Don't give this insidious disease a chance to start. Start using Forhan's this very day. All druggists, 35c and 60c in tubes.

More than a tooth paste—it checks Pyorrhea

## OCEAN HOTELS FOR TOURISTS

Let Needy Visitors Use Ships Built in War, League Suggests

A life on the ocean wave for the unfortunate is the suggestion now on its way to Washington following a monthly meeting of the Betterment League.

Mrs. Nellie B. Van Slingerland, president of the league, made the suggestion and the league adopted it unanimously and enthusiastically. Various ships built for war use and now rusting away at anchor, she says, should be brought to Los Angeles Harbor and used as hotels for those temporarily out of luck.

"It is only just that these war ships should turn back to the people some service in peace time to recoup a little of their burden in building and relieve the overburdened taxpayer," she said.

Those who would not be disappointed would do well to get their tickets now.

## DINNER FOR MEMBER OF STORE FIRM

Tom May, Off for Europe, Banqueted by Associates in Great Enterprise

As a farewell to Tom May, executive director of the May Company store here, who is leaving shortly for a brief business and pleasure trip to Europe, the executive heads and buyers of the store gave him a banquet last night at the Biltmore.

The private dining-room at the hotel where the affair was given was elaborately decorated by members of the organization and a special feature a model of the steamship Olympic, on which Mr. May will sail to Europe, was placed in the center of the table. About 100 of the store personnel attended the dinner.

In a brief address in appreciation of the affair, Mr. May promised to give a dinner to the executives and buyers on his return from Europe.

He said he expects to be gone about seven weeks. While attending to business on the continent he also plans to take in many of the pleasure places, he said. Mr. May will accompany him and they will sail from New York the early part of October.

Among the guests who attended the affair were Mr. May, who is executive director of the May store in St. Louis, and Mr. May, who is executive director of the May store in St. Louis, and Mr. May, who is executive director of the May store in St. Louis.

## RABBI TO TALK ON RELIGION AND DOGMA

"A Religion and Dogma the Same" is the subject of an address to be given by Rabbi E. F. Magnin this evening at the Temple Beth Shalom. At 10:30 a. m. tomorrow Dr. Magnin will speak on "Famous Prayers of Israel." Celebration of Yom Kippur, the Day of Atonement, will take place at 7:30 p. m. next Sunday at the Trinity Auditorium and Dr. Magnin will speak on "The Meaning of Repentance and Atonement." Memorial services will feature the afternoon program. Children's services for the Day of Atonement will be conducted next Monday morning at the Temple. The public is invited to all the High Holy Day meetings.

## FREED AS HUSBAND TAKES BLAME

Former Seaman Pleads Arson Guilt

AN ARSON charge against Mrs. Anna Shoults, a dancer, was dismissed yesterday in Judge Crall's court when Lloyd Shoults, her husband, pleaded guilty and took all the blame. He was permitted to apply for probation when a navy officer testified Shoults had been a good seaman and had borne an excellent character while in the Navy.

The couple lived at 847 One Hundred and Thirtieth street, which burned July 22, Mrs. Shoults' wardrobe, it was asserted, had been insured for \$1000, which, it was declared, was about ten times its value. Shoults will be given a hearing on his probation request October 8.

Mrs. Anna Shoults

Shoults' wardrobe, it was asserted, had been insured for \$1000, which, it was declared, was about ten times its value. Shoults will be given a hearing on his probation request October 8.

## PORT READY TO HAIL WAR FLEET HOME

Navy Official to Review Vessels at Sea Prior to Arrival Tomorrow

Preparations were nearing completion at Los Angeles Harbor yesterday for the reception of the battle fleet, due home again tomorrow after the long trip to Australia started last spring. Ten battleships, headed by the U. S. S. California, flagship of Admiral Robison, will steam into the outer harbor between 11 a. m. and noon, after a review 100 miles at sea by Assistant Secretary of the Navy Robinson. The U. S. S. Arizona is already here and will be used by the assistant Navy chief in meeting the vessels.

Secretary Robinson will arrive in Los Angeles this morning and will put to sea on the Arizona in time to meet the fleet at daybreak, the following day. As he will review it, the fleet will be complete and intact, with aircraft, destroyer and other squadrons in their proper places, but after the review, the destroyers and aircraft will proceed to their base at San Diego and the battleships will come here.

The U. S. S. Idaho, which is carrying Commander Rodgers and the rescued crew of the PN-2 No. 1, from Hawaii, will not be at this port, however, until October 2. She is going to San Francisco, and after landing her eminent passengers, will be docked for a few days.

The U. S. S. Seattle, flagship of Admiral Counts, commander-in-chief of the United States Fleet, will arrive October 1. She is making the return trip independent of the fleet, by way of Tahiti and the Galapagos Islands.

There will be no resting period for the battle fleet on its arrival here. After a few hours' shore leave, the sailors will be recalled to their vessels and the full gunnery schedule will be begun, followed by tactical maneuvers.

## ACCIDENTAL SHOT KILLS GUN OWNER

Clerical Worker Taking Revolver from Beneath Pillow Receives Bullet

A bullet from a revolver discharged as he drew it from beneath his pillow caused the death yesterday of Claude O. Whitman, 43 years of age, an auditor and bookkeeper of 2737 Locksley Place, according to a police report.

Mrs. Whitman, the only witness, said the hammer of the gun caught on the bed clothing as he drew the gun muzzle first from under the pillow. He was taken to Monte Sano Sanatorium and Hospital near by, but died from effects of the bullet, which pierced his body just below the heart.

Herbert W. Packard, a brother-in-law, said Whitman had spent a restless night and after reading for a time decided to lie down again about 8 a. m. Whitman remarked to his wife, Pritchard said, that he guessed he would take the revolver out from under the pillow because it made the headrest hard and was in the act of so doing when it was accidentally fired.

## ANEMIA FATAL TO MOTHER OF WRITER

Mrs. Lillian Bookway, mother of Frank M. Bookway, a former sports writer of this city, died Wednesday at the Suburban Hospital of pernicious anemia. Death followed an intensive illness of three weeks.

Beside her son, she leaves a husband and a daughter, Adrienne Bookway. The body is at the Wheat's undertaking parlors in Huntington Park, where funeral services will be conducted today.

## TAGGING OF 400 DRIVERS JAMS COURT

Bench Warrants Issued and Bail Increased for Those Failing to Appear

Four hundred traffic complaints were filed yesterday. This is nearly double the number of any previous day in Los Angeles Police Court history, and was due, police said, to the adoption of the new system of triplicate tags for minor violations which enables a close check to be kept on violators.

The flood of complaints swamped all the avenues of justice and caused Police Judge Richardson's court to take frequent recesses so the clerks could keep up. About 100 of the complaints were for speeding, the rest for various violations of parking regulations and the like.

Only about one-third of those summoned on the triplicate tags appeared, causing Police Judge Richardson to raise the bail to \$25 in all cases where bench warrants are issued.

Secretary Robinson will arrive in Los Angeles this morning and will put to sea on the Arizona in time to meet the fleet at daybreak, the following day. As he will review it, the fleet will be complete and intact, with aircraft, destroyer and other squadrons in their proper places, but after the review, the destroyers and aircraft will proceed to their base at San Diego and the battleships will come here.

The U. S. S. Idaho, which is carrying Commander Rodgers and the rescued crew of the PN-2 No. 1, from Hawaii, will not be at this port, however, until October 2. She is going to San Francisco, and after landing her eminent passengers, will be docked for a few days.

The U. S. S. Seattle, flagship of Admiral Counts, commander-in-chief of the United States Fleet, will arrive October 1. She is making the return trip independent of the fleet, by way of Tahiti and the Galapagos Islands.

There will be no resting period for the battle fleet on its arrival here. After a few hours' shore leave, the sailors will be recalled to their vessels and the full gunnery schedule will be begun, followed by tactical maneuvers.

## ACCIDENTAL SHOT KILLS GUN OWNER

Clerical Worker Taking Revolver from Beneath Pillow Receives Bullet

A bullet from a revolver discharged as he drew it from beneath his pillow caused the death yesterday of Claude O. Whitman, 43 years of age, an auditor and bookkeeper of 2737 Locksley Place, according to a police report.

Mrs. Whitman, the only witness, said the hammer of the gun caught on the bed clothing as he drew the gun muzzle first from under the pillow. He was taken to Monte Sano Sanatorium and Hospital near by, but died from effects of the bullet, which pierced his body just below the heart.

## ANEMIA FATAL TO MOTHER OF WRITER

## There Are No "Ifs" To the Success of THIS Apartment

—the Reputation and Resources of Luther T. Mayo and Preston S. Wright are Behind it

No matter what your own ideas may be, no matter what your past experience with "Your Own" Apartments has been—the purchase of a home in the Los Altos carries with it an assurance of satisfaction and security because it is sponsored by two men whose integrity and integrity are unquestioned and whose reputations for success and fair, square dealing are generally recognized.

## Los Altos

Individually Owned Apartment Homes

Located on the summit of one of the highest points of Wilshire Boulevard—at the corner of Bronson—in the fashionable Windsor Square District—the Los Altos occupies a commanding position in a setting of handsome, affluent homes.

This beautiful building is being completed at the rate of one floor each week and will soon be ready for occupancy. By conferring with the architects now, purchasers may arrange for interior adjustments and decorations to suit individual preferences.

All money received for the purchase of apartments is escrowed in its entirety until completion of the building. This is another safeguard to purchasers. Because the own-

ers are also the builders there is no profit to pay, and the prices of these beautiful homes are exceptionally low.

If you are familiar with building history in Los Angeles, you know that Luther T. Mayo and Preston S. Wright have a record of long line of successes to their credit—not a single failure. If you do not know this, ask any banker, trust company, insurance and loan association, or realtor.

**CHINESE SEIZED IN DANCE WAR**  
Drive Opened Against Halls Where Races Mix  
Three Accused of Aiding in Girl's Delinquency  
Officials Say Arrests Mark First of Series

The first gun in a campaign to clean up dance halls that make a practice of engaging young white girls to dance with Chinese and other orientals was fired yesterday with the arrest of three young Chinese on charges of contributing to the delinquency of a 19-year-old girl "dance instructor."

Those under arrest are: Roy Lim Sing, 250 North Broadway; Jimmy Wong, 2155 West Sixth street; and Willie Wong, 250 North Broadway. They were taken into custody by Police Officers Taylor and Patrick on a complaint issued by Dep. Dist. Atty. Joss following an extended investigation by Policewoman Georgia Robinson, Investigator James F. Smith and others.

**TRIO ARRAIGNED**  
Deputy Joss at the time the complaint was issued announced that he will seek to have the Police Commission revoke the permit of the Wonderland Dance Hall, 111 West Third street, where the girl involved in the case was said to have been employed.

The three Chinese were arraigned before Judge Archibald of the Juvenile Court and their hearings were set for October 6. They were held in hall of \$5000 each.

According to the complaint, the trio persuaded the girl, whose name is being withheld, to stay all night in a hotel room with Willie Wong and Roy Lim Sing. The girl is being held in Juvenile Hall.

Somewhat reluctantly, police said, the girl told how the Chinese had danced with her in the hall and had taken her away. She declared she agreed to go with them because she was afraid of several Filipinos who had been pursuing her. She denied, however, that she had any immoral relations with the Chinese, although she stayed with them. The Chinese admitted taking the girl from the dance hall, but denied misconducting themselves with her.

**FIRST OF SERIES**  
The dance hall where the girl was employed is one of a dozen or more that have come under the surveillance of police following revelation of promiscuous mixing of the white and yellow races on the dance floor.

Each girl employed as an "instructor" in the dance hall is said to receive 5 cents for each dance, the house receiving the other 5 cents.

So revealing a situation has been uncovered, police investigators say, that a follow-up clean-up is in prospect, of which yesterday's arrests are the first of a series.

Mary Astor

Mary Astor, motion-picture actress, will return to Los Angeles today, after being in New York for more than a year. She has returned to play opposite John Barrymore in "Don Juan," having been loaned for the purpose by First National. She will be accompanied by her parents.

Miss Astor played for a series of pictures in the First National East Coast studios, her latest having been "The Face That Thrills."

Lloyd Hughes, also a First National actor, will arrive on the same train.

**INSPECTORS ARE GIVEN HIGHER PAY**  
Humane Officers Granted Increase but City Council Denies Robeson Wage

Salary increases of \$25 a month to fifteen inspectors of the Humane Treatment of Animals Commission, which were granted by the former Council yesterday. The Council reported the Commission for paying General Manager Robeson \$300 a month in the face of its refusal to approve that salary.

Councilman Ash moved that the salary increase for the fifteen humane animal inspectors be granted. Councilman Criswell declared that the commission had been paying General Manager Robeson's salary from the accumulated funds, resulting from the failure of the present Council to verify the salary increases for the inspectors approved and provided for in the budget by the former City Council.

Councilmen Ash and Criswell praised the work of the humane animal inspectors and their efficiency in collecting dog licenses, and said that they should be paid living wages. Their present salaries are \$110, \$115 and \$125 a month each, depending upon length of service, and their new salaries will be \$135, \$140 and \$150 a month under the Council's action yesterday. Councilmen Barnes, Hall, Sparks and Zahn asked for delay, but Councilmen Ash and Criswell started a "steam roller" under way, and the new salaries were approved.

This action of the Council yesterday will make it necessary for the commission to once more ask the Council to appropriate \$300 a month for General Manager Robeson's salary. The Council already has declined to take this action.

**HEARING IN DRUG DEATH CASE BEGUN**  
Doctor Asserts Druggist Admitted Substitution in Prescription for Baby

The hearing of Chester A. Wolf, a pharmacist, on a manslaughter charge was begun yesterday before Justice Scott and adjourned, after three witnesses were heard, until next Thursday. Wolf is declared to have caused the death of Josephine Villard, 4 months of age, the 5th inst., by a mistake in filling a prescription for her.

Dr. Gonzalo Valenzuela testified he had attended the child and had prescribed calophen, a mild drug frequently given to children. He said he had talked with Wolf after the child became ill, and Wolf admitted he had made a mistake and substituted alophen, a drug containing strychnine and belladonna. He identified the prescription he gave, which appeared to have been altered by writing a large "A" over the "C." Dr. Webb, County Autopsy Surgeon, testified the child died of strychnine poisoning, and the child's father told of calling in the doctor and of the baby's illness.

The case is being prosecuted by Dep. Dist. Atty. Schellman.

**CHILD DIES AFTER EATING ANT POISON**  
Mildred Carter, 3 years of age, died yesterday at San Pedro from eating ant poison, according to a police report. The child, daughter of Mr. and Mrs. Howard E. Carter of Glendale, was with her parents visiting relatives when she ate the poison. It was not discovered she had done so until she became ill. She was taken to a hospital and died there a short time later.

## BOND QUOTATIONS

French Bonds Lead  
(BY A. P. NIGHT WIRE)

NEW YORK, Sept. 24.—Heavy buying of French government bonds, coincident with the opening of the French debt fundings, led to a sharp advance in the bond market today. Wall Street belief that a satisfactory agreement would be reached was also reflected in the strength of other foreign bonds, engendering a more cheerful sentiment in trading circles.

With time money rates easing off after yesterday's temporary hardening, the bond market ignored reports of a possible increase in the New York Federal Reserve discount rate, later shown to be unfounded, which proved to be a disturbing factor in trading. The weakness of the stock market, however, probably exercised a restraining influence on bond dealings, particularly checking speculative buying of convertible issues. The leaders among the government group were assumed by the government's 7 per cent bonds. On a turnover exceeding \$100,000,000, these obligations gained almost a point and established a new top high for the year at 97 1/2-3/4. The demand for French 7 1/2s and 5s was less urgent, but both issues scored good fractional gains.

Czechoslovakian bonds almost a point on the announcement that a debt-funding commission from that country would call late this month. Improvement in market conditions for European bonds has brought to successful conclusion negotiations which have been pending since last spring for a \$15,000,000 Bavarian loan. An offering of the bonds is expected next week.

Price movements of domestic bonds were mixed but in most groups gains outweighed the losses. Chesapeake and Ohio convertible is duplicated the rally in the road's shares, reaching a high level at 131 and closing about a point higher. Heavy buying of Kelly-Springfield 7s and 5s, however, were depressed by the recent weakness of the market and copper issues were heavy.

Following are yesterday's high, low and closing prices on bonds in the New York Stock Exchange:

## MARKET FLASHES

(BY A. P. NIGHT WIRE)

NEW YORK, Sept. 24.—Stocks drifted lower in the influence of renewed profit-taking and selling. Violent declines took place in a few issues which had been centers of excited speculation in the last few days. The largest decline was in the case of the new high at 33 and then dropped to 30 1/8, and Mexican Petroleum touched a new high at 3 1/4. New Mexico and Arizona Land was in free supply, slipping over 3 points to 13 1/2, and then rallying to 14 1/4. Most of the other active oils showed only fractional changes.

Public utilities were uniformly heavy. National Power and Light, 5 points to \$19, United Light and Power yielding over 3 points to 14 1/2, and several others dropped or more.

Outside of the break in Engineers' Gold, which was attributed to heavy selling by a large syndicate of long stock, chief interest in the mining list centered in the heavy activity in Golden Center Mines, based on reports of important development work.

Following are the closing quotations on the New York Stock Exchange, furnished by the members of the New York Stock Exchange:

NEW YORK CURE

**LOS ANGELES MARKET**

**CATTLE**—Receipts were estimated at 800, including supplies from Idaho, Utah, Colorado and Wyoming, with the usual number from California. Crossed supplies resulted in an easier undertone in the market for beef steers and killing the stock, though the prime paid did not reflect a definite higher. Feeder, 12.75@13.00; average cut Wednesday, 12.40; weight, 224.

Sheep, receipts 2000; receipts include 25000 bled from steady; steady; bled fat native lambs, 12.50@12.50, "ulls," 9.00@10.00; fat pure wethers, 5.00@7.25; breeding ewes, 7.00@10.50.

line from the previous day. The supply at  
and in steers did not include anything of out-  
standing quality and finish. Top for the day  
closed \$3.50, paid for a head of 1004-pound north-  
western steers. Other sales of steers ranged from  
\$3.10, mostly Californians.

Under the same conditions governed in the mar-

For cows and heifers as shown. Good northern cows sold upward to 8.50, this price being set for 41 head averaging 1920 pounds, with a 1/2 head of heifers at 6.75, while the bulk of northern cows and heifers sold from 5.50 to 8.00, in common some down to 4.00 and cullers and others mostly 3.50 to 6.75. Bulls held steady, belonging to 11.50 to 13.15; average cost Wednesday, 12.36 weight, 371.

Cattle, receipts 4500; fed steers and yearlings moderately active; fully steady, bulk, 10.50 to 12.35; few loads yearlings, 12.25 to 14.00; grass steers scarce; other killing chance active, steady to strong; bulk grass cows, 4.00 to 8.50; heifers, 3.75 to 8.00.

**CATTLE**—Market ruled active, fully steady. The bulk of the offerings at hand cleared within a range of \$5.00 to \$11.00, a load of 183-pound Calaines making \$11.00. Common offerings sold from \$6.00.

[illegible]

12.00, with light lights and m&sd offerings  
 in 14.00/14.75. Packing cows turned largely  
 in 12.50/13.00.

**SHEEP**—Receipts none. Market nominally  
 dry. Good and choice range lambs quoted from  
 17.50/14.75, with common to choice ewes from  
 12.00/13.00.

**ST. JOSEPH (Mo.)** Sept. 23.—Hogs, 3000  
 market 15.00/15.25 higher; top, 15.50; bulk, 12.25/  
 12.40.

**Cattle**, 3000; market, steady to strong; bulk of  
 steers, 7.00/11.00; top, 12.50; cows and heifers,  
 5.00/10.00; calves, 2.00/10.75.

**YESTERDAY'S QUOTATIONS**

Langhiser cattle and calves: Steers (1100 pounds up.), medium, 7.50@8.75; common, 5.00@7.50. Hens (850 pounds up.) good, 8.15@6.75; (all rights), common and medium, 4.00@5.15. Cows, 4.00@5.50; common and medium, 3.50@

Sheep, receipts 2000: market steady; lambs, 12.25@14.50; ewes, 6.25@7.25.

**RUBBER MARKET**

canter and cutter, 2.00 to 3.00. Bulls, good of yearlings included, 5.00 to 5.50; (saddle-girth) canner to medium, 3.50 to 5.00. Calves (all fed included), medium to choice, 9.00 to 10.00; cull and common, 5.00 to 9.00.

Tags: Medium weight (200 to 350 pounds). Light to choice, 14.25 to 15.00; Right weight (160 to 200 pounds), 12.50 to 14.00.

100 pounds.) common to choice, 14.50@15.00; 100 lb lights (130 to 160 pounds.) common to choice, 15@14.55. Packing bags, smooth and rough, 100 lb; 15.00; slaughter pigs (90 to 130 pounds.) common, good and choice, 12.50@14.00. (Butt or head and roasting pigs excluded in above listings.)

laughter sheep and lambs: Lambs (84 pounds w.) medium to choice, 13.00 to 14.75; (all cull) cull and common, 10.00 to 13.00. Ewes, non to choice, 8.00 to 9.00; cull and cull, 3.50 to 5.00.	<table border="1"> <tr> <td>First later cross.....</td> <td>95</td> <td>80</td> <td>77</td> <td>75</td> </tr> <tr> <td>Amber No. 2.....</td> <td>85</td> <td>81</td> <td>78</td> <td>75</td> </tr> <tr> <td>Fine upriver pure.....</td> <td>75</td> <td>78</td> <td>74</td> <td>73</td> </tr> </table>	First later cross.....	95	80	77	75	Amber No. 2.....	85	81	78	75	Fine upriver pure.....	75	78	74	73

[illegible][illegible][illegible]

The sentence was because "this—the man who had won the reward offered by Los Angeles officials for information leading to the lives of the three men whose criminal acts caused the slayings—was a dirty rancher trying to die off his heart and whose captives were being held at the Los Angeles County Jail for \$149,000—a model prisoner."

"He has been a good prisoner since the only explanation offered for his detention by George Van Valkenburg, assistant attorney general of the prison board, was allowed off for good."

State Atty. Keyes declared that he was now to him as a man who had once tried to get the American czar's liberty and then charged her libelity and that he had no attitude against him.

But he was not informed of the prisoner's act.

**CALLS IT OUTRAGE**

State Atty. Keyes assailed the release of the prisoners.

STRESS SOUT

Commerce Chamber P  
Lands Committee Hear

with the Senate Public La  
bearing on public land matters, a  
conducted yesterday at the Ch  
to be stressed before the  
decided that the protection a  
waterlands was the most v  
the present and as such shou  
and hearing, which

representatives of the various  
assembled at the meet-  
ing pointed out that the very life  
of the Southland hinges on the  
supply and that the question of  
controlling the watersheds, there-  
fore, is a matter of life and death  
to the people of the State. A  
they declared, the point must  
be returned home to the mem-  
bers of the committee so that the  
committee can be afforded a  
special committee of five mem-  
bers made a drive man-  
ifestation in regard to the  
supply and the watersheds  
question shortly.

**FOREST LAW** The Committee on Forestry, headed by the chairman Dunwoody to the resolution on this point presentation to the Senate.

The need for enlisting the com-  
munity support in behalf of the  
forestry bill introduced  
the last session of Congress also  
pointed out. The bill would  
the Southland.

HAWAIIAN TRIP  
MARVELS TOLDExcursion Party Presents  
Stellar ConcertJourney Through Courtesy of  
"Electro-Kold"Musicians' Union Deprives  
Radio of Orchestras

BY PAUL SHERIDY

The luring beauty of Hawaii after the calm serenity of the Pacific in the fall was mirrored in last night's concert from the tower studio when the selected stars of the station who will accompany the Chamber of Commerce excursion to the Isles broadcast a special program of brilliant selections through the courtesy of Electro-Kold refrigerator department of the Newbery Electric Company.

The appearance together of these stellar artists was an unusual opportunity for the multitude of patrons of The Times, as they had never before all appeared together at the studio, and their concert was a delightful surprise as they will spend the balance of their time preparing for the remarkable trip on the City of Los Angeles, which sails from the harbor October 10, loaded with the most prominent people of the district, and will not return until October 21.

WALK-OVER'S  
MAIN SPRING ARCH  
SHOES  
LADIES' AND GENTS'

The  
"Relief"  
for Men

A combination fitting shoe of the designed type most acceptable to business and professional men whose feet must look smart and yet be comfortable for efficiency's sake. Main Spring Arch, pear-shaped heel and scientific combination last. A perfect shoe without a peer.

Specialty priced at  
\$10.00

I See by Today's  
"Times" Want Ads—

That a five-table poolroom with lease for five years at \$75 a month is offered for sale for \$2500.

That jobs are offered to cabinet makers and men for finishing room.

That a competent man is wanted for cooking and general housework in family of two. Wages \$85 a month.

That a 1924 Reo touring car—only slightly used—is offered at \$1000 for quick sale.

## WARNS OF UNION ACTS

These artists who appeared before the microphone were Mary Newkirk Bower, soprano soloist; Bernice Nell, cellist; Edna Mead Little, flutist, and Mena Content, concert pianist. Carolyn La Fave, violinist, who will accompany the group, was unable to be present last evening, but her place on the program was ably filled by Gladys Burch Dale, violin pupil of Louis Persinger, who created such a sensation here in his appearance with the Chamber Music Society.

Announcement was made over the air concerning the marvels of the coming excursion, which will include all of the wonder spots of Honolulu and the other cities and islands of the group. A few reservations are still available at the chamber and steamship offices.

Warning against the attempted dominance of radio by the musicians' union, virtually threatening the freedom of the air, was given at noon yesterday by Uncle John in a talk before the Optimists club, showing that the tire field of broadcast is endangered by arbitrary actions by the officials of the organization.

Citing recent examples which have directly affected the programs sent out into the air from K.H.J., the manager of The Times radio department outlined the steps which the union has taken to hinder the entertainment of the thousands of patrons of all stations.

## ORCHESTRAS CUT OFF

In point, he told the assembled clubmen that no longer would the Times station broadcast the music of the Baltimore Concert Orchestra because of the tactics used by the union officials, and that the other prominent ensemble group, Jack Cronshaw's orchestra in Leighton's Arcade Cafeteria, would also be forced to remain off the air.

The union officers notified the Baltimore orchestra that all of the members must be paid \$5 per cent additional salary for the time they are broadcasting, although the hotel was already expending a large sum of money for the entertainment of thousands of evening sets, and felt that further expenditures were unfair discrimination. The management of Leighton's cafeteria agreed to meet this demand for 35 per cent raise, but, although the members of the orchestra were unable to protest, these officials made further efforts to keep them from broadcasting by adding an additional 15 per cent increase, which meant that the cafeteria would be required to raise the salaries of the orchestra \$50 per cent if they were to send their music into the air.

COAST TO COAST

## Western Auto Supply Sponsors Concert

Lilian Ariel, concert pianist. Paul Ochi Albi, cellist. Karl Brandenburg, tenor.  
Favorite Juveniles on Children's Hour Program

The entire luncheon program of the Optimists club was broadcast through the station direct from the Baltimore. Arthur G. Wilson was chairman, with the winners of the Mexican Oratorical contest on their feet. The program was a most interesting one, and the clubmen showed the clubmen how the new Charleston dance should be done, with the California Mixed quartet, composed of Beatrice Hovde, Emily Campbell, Charles King, J. Gillewits, and Miss Wilson, singing a group of numbers. The instrumental music was given by Art Hickman's orchestra.

NOVUS SINGS

The wonderful songs of people of note by Dickie Brandon, the screen juvenile reporter who has created a unique personality over the radio, were again a feature of last evening's children's hour program, which featured the wonderful talents of the wonder children of the station, including Joyce Coad, "Little Red Riding Hood," Dorothy Graves, 11-year-old saxophone pupil of the Thompson Progressive School for Saxophone Peggy Milholland, 7-year-old reader and singer, "Bunny Jane" Hughes, Virginia Hyde, six-year-old pianist, and Urban Thielman, youthful pianist who has been highly commended. The hour was followed by another one of the helpful talks of Dr. Phillip M. Lovell on care of the body, his subject for the evening, being "Posture and Health."

The beautiful baritone voice of Edward Novis was heard from the studio on the matinee program of the Pacific States Electric Company, which included the folk songs of Melba Meland and a number of fine instrumental selections by the talented Arion Trio, composed of Nava Chiberg, violinist and director, Lilian Ariel, pianist, and Mary Novis, cellist. The noon concert was given through the courtesy of the Friars Inn, presenting Kenneth Moore and his Six Princes, and the Aloha Trio, who appeared through the sponsorship of the Dragon Cafe.

K-H-J  
The Times

TODAY'S PROGRAM  
7 to 7:15 a.m.: Setting-up Exercises, by Prof. Barclay L. Severna.

RAIL BODY  
TO CONDUCT  
GRADE QUIZState Commission Orders  
Hearing on Three Projects  
at Own Motion

Grade separation at the Southern Pacific-Brand Boulevard crossing in Glendale, and additional protection at several crossings, including Dayton Avenue in Los Angeles and San Fernando Boulevard in Burbank, will be considered by the State Railroad Commission at a hearing November 10. It was announced yesterday.

The commission ordered the investigation on its own motion and Commissioner Seaver will conduct the hearings.

The commission, if it finds the changes necessary, also will determine what portion of the cost shall be paid by the railroad and what part by the three cities involved, it was said.

The hearing was determined upon by the commission meeting at San Francisco, according to Examiner Williams, in charge of the local office, and notice of the determination was received yesterday.

The Railroad Commission usually acts upon complaint only, but has the right to start any investigation of its own motion if it elects to do so.

POLICE AT  
COMRADE'S  
LAST RITESMore Than 200 Officers  
Present at Services for  
Sergt. John W. Tyler

Funeral services for Sergt. John W. Tyler, for more than thirty years a member of the Los Angeles police department, who died Monday at the age of 65 years, were conducted yesterday.

The services at the Elks Club, at 160 South Olive street, of which Tyler was a member, were held at 3 p.m.

The cortege, which included the Elks drill team, passed the Central Police Station at First and Broadway to the strains of the funeral march. The pallbearers were Lieutenants Hodson, Scofield, Thornburg, Long, Little and Sweeney. More than 100 police officers attended.

Tyler had retired from the police department last November.

Court Prepared  
for Trouble by  
Woman's Threat

Judge Gates' court was prepared for nearly any contingency yesterday when Mrs. Frances Forsaith was billed to appear in proceedings for an accounting of community property with her former husband, H. J. Forsaith, from whom she was divorced several weeks ago.

Attorneys Harry A. Harper and Mart Cole, counsel for Forsaith, had informed the court that they had received threatening letters from Mrs. Forsaith and Judge Gates had called for a woman deputy sheriff to handle her.

The plan was that Mrs. Forsaith should be searched and kept in custody until she could be removed to a hospital, where she might have her sanity determined.

But Mrs. Forsaith did not appear. So the woman deputy went back to the sheriff's office and Judge Gates heard nothing but Counselor Cole's request to be excused from further service in the case, which he granted. The proceedings were continued until the 19th inst., a body attachment being issued for Mrs. Forsaith's appearance on that date.

Paid Penalty of  
Slave, Declares  
Wife in Appeal

As an "old man's darling," Mrs. Ella Robinson paid all the penalties exacted from a "young man's slave," according to her suit for \$400,000, Sheriff Trager said.

The legal battle to extricate him to California was one of the most bitterly fought ones in recent years. Now all of that trouble and expense is for naught with Big Hutch again footloose to continue his bunko activities.

Not even "Big Hutch's" attorneys were informed by the prison board that the king of the bunko artists was once more free. Attorney Paul Schenck, who defended him, stated that "Big Hutch's" release was news to him. He also stated that it was within the power of the prison officials to reduce the prisoner's sentence.

"I consider the turning loose of this arch-criminal upon the public a gross miscarriage of justice," United States Commissioner Turner, formerly a member of the Crime Commission, stated.

"Big Hutch" was convicted of a "bunko" scheme in which he robbed an elderly couple of their life's savings and his conviction was obtained only after a long, hard fight at an expense of many thousands of dollars to the taxpayers.

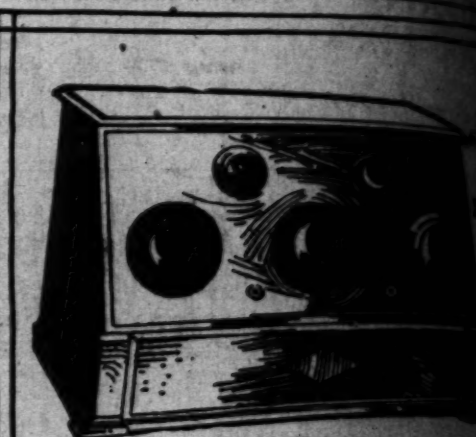

"An especially disappointing and discouraging feature of the liberation of this notorious criminal is the secrecy which seems to surround it. It is such a shame as this which tend to encourage the operations of criminals and which cause the people to lose confidence in the law-enforcement agencies."

The release of "Big Hutch," it was learned, was sponsored by the "American Prisoners' Association," which promised him employment in New York. He is reported to be there now.

EXCHANGE CLUB TO  
HEAR OF AFRICANS

The Los Angeles Exchange Club, at its luncheon today at the Biltmore, will hear at first hand about the social life among the natives of Africa and the agricultural and manufacturing conditions at present and prospects for the future in that part of the world.

The speaker of the day will be Dr. Silas P. Johnson, who has been on assignment for the past thirty-one years at the missionary station at Elat, West Africa. Wilbur M. Barthelick, Jr., an attorney in the Van Nuys Building, will be chairman of the day. George B. Greene, assistant cashier of the First National Bank of Los Angeles, president of the Los Angeles Exchange Club, will preside.

## Freed-Eisemann

Broadcast Receivers  
are now available in ALL their various models in the Music Salons of the Southern California Music Company! It is but natural that a set which has such an enviable reputation for satisfactory service should be sold and recommended by this company which has held, for so many years, a similar reputation!

Model FE-15—Priced \$75  
Without Accessories

It is particularly in the lower-priced field that the buyer of radio should use special caution in making a purchase! This 5-tube storage battery receiver guarantees the guarantee of both the maker and the company!

Model FE-18—Priced \$85  
Without Accessories

This splendid receiver is designed for the use of the UV-199 dry cell tubes. The cabinet is particularly attractive and holds all batteries. Like all Freed-Eisemann receivers, it has exceptional tone quality!

Model NR-7—Priced \$110  
Without Accessories

After months of research the Freed-Eisemann has developed this 6-tube receiver. It is a cable connection cord to enable attachment to storage batteries without possibility of using a section.

Southern California  
MUSIC COMPANY  
805-806 So. Broadway and 7th St. Los Angeles

## MONTMARTRE

CHEST DRIVE  
VOLUNTEERS  
ARE SOUGHT

# Bullock's Closes at One o'Clock Saturdays

## 150 Exclusive French Beaded Bags At \$10--Saturday Morning (Not Today)

### For Saturday Morning Chocolates, 50c Box

A special selling of delicious week-end candies. 12 oz. boxes packed full of chocolates with hard and soft centers. Both dark and light coatings.

—Candy Section, Bullock's Street Floor.

### Saturday, Balbriggan Dresses--New--\$12.50

Velveteen-trimmed one-piece and two-piece Balbriggans, the Feature Saturday at the Junior Girls' Section. Not only women and college girls recognize the smartness of Balbriggan, Bullock's Junior Section finds this fabric much in demand for girls' 8 to 14 years dresses. And so this popular Bullock Section had a group of Balbriggan Dresses specially designed—in the two styles sketched. One a two-piece jumper dress, the other one-piece with clever side plaits. Both smartly trimmed with velveteen. New fall shades at \$12.50.

—Junior Girls' Section, Bullock's Fifth Floor.

### Saturday, Lumberjacks for Boys, Special, \$5

Every Saturday morning, Bullock's Store for Boys tries to have something that's especially popular—at a lower-than-usual price. This week the much-in-demand Lumberjacks for four hours of fast selling—at the extra low price of \$5.00. Of plaid flannel, sports collar. Knitted cuffs and waist-band. Combinations of green, brown and tan colorings. Sizes 8 to 14 years.

—Store for Boys, Bullock's Fifth Floor.

### Friday and Saturday Featuring Boys' Tweed Suits Exceptional, \$19.75

One pair Long Trousers, one pair Regular Knickers, English-cut Coat and Vest. Suits wonderful for wear—fashioned of good sturdy tweeds for schoolboys 10 to 16 years. So well cut, too. Good-looking cassimeres at the same price—\$19.75.

—Store for Boys, Bullock's Fifth Floor.

### Saturday, Oxfords for Boys at \$6.00 a Pair!

Just what they want to wear with their new long trousers. Patent leather Oxfords in smart plain toe style. Tan calf Oxfords with the popular square toes and with perforations on toes and vamps—comfortable with their rubber heels. Sizes 1 to 6 at \$6.00.

—Junior Shoe Store, Bullock's Fifth Floor.

### 625 New and Different Scarfs Are Priced Unusually, \$2.75 for Saturday

The variety is as remarkable as the extremely low price. There are rayon knitted Scarfs, and those of crepe de Chine and crepe Georgette in fascinating new designs.

Roman striped patterns, plain colors softly shaded, all over hand-blocked designs and hand-painted designs decorating ends. The colorings are delightful. There are the vivid sports shades as well as the soft Autumn tones—also black and white. Extraordinary, indeed, at \$2.75.

### New Costume Flowers, Large Velvet Poppies With Frosted Edges, Center and Stem, Are 85c

—Neckwear Section, Bullock's Street Floor.

### Towel Week Closes Saturday at 1 P.M. Linen Huck Towels, 35c

Bringing this annual Bullock September Towel Week to a climax. Emphasizing the importance of shopping Saturday morning early—there are but four hours.

Linen huck towels (size 18x33 inch) are firmly woven and absorbent. Regularly much higher priced. 35c each!

Hand Embroidered Linen Towels, \$1.25	Bath Towels Create Savings, 55c ea.	2000 Yds. Cotton Twill Crash, 15c
Size 18x30 inch. Some with lace insets. Colors and white. Boxed for gifts.	Heavy double thread Turkish bath towels. Bleached. Size 24x48 inch.	16-inch width toweling that makes up into splendid dish towels or roller towels.

—Towel Section, Bullock's Second Floor.

### 1900 Yards Venise Pattern Laces 45c Yard For Saturday Selling

Another reason why "Bullock's for Laces" is heard often in Los Angeles. Such values as these Venise pattern laces are more than unusual. The quality of the laces would indicate a much higher price.

They are available in 1 to 5-inch widths, in white, cream and deep ecru. There are edges, insertions and galloons—the patterns of which in many cases match. Adaptable for fancy work and the making of gifts. 1900 Yards specially priced for Saturday Morning and Monday—45c yard.

—Lace Section, Bullock's Second Floor.

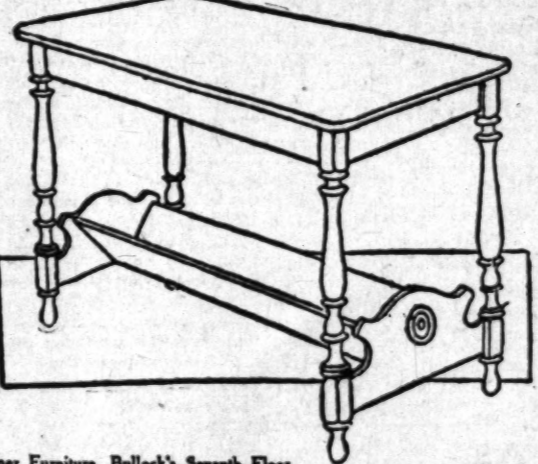

### For Saturday Morning—not today Solid Mahogany End Tables, \$5.95

Repeating a Success in These Fine End Tables Staged Several Weeks Ago.

Built by a local manufacturer. With a dependable reputation and a wide popularity in Los Angeles. Exploited at Bullock's for Saturday morning's selling because of their outstanding value.

Solid mahogany end tables with book trough beneath. Top measures 12 by 24 inches. Height of table 24 inches. Finished in antique solid mahogany. \$5.95 each.

—Section of Fine Furniture, Bullock's Seventh Floor.

### For Saturday Morning—not today Decorated Reed Rockers, \$8.95 Each

Handsome rockers (chair style also) with roomy, comfortable lines. Well made furniture such as Bullock's specializes in.

So many rooms in the house where this rocker would find a ready place. Its neutral shade of brown would blend easily with many decorative schemes.

But of chief importance—its special Saturday morning price. But \$8.95 each.

—Reed Furniture Section, Bullock's Sixth Floor.

Charm and individuality of design and skilled workmanship characterizes these exquisite bags entirely made by hand. They are the personal selection of Bullock's own representative when abroad.

Alluring—yes, but more—as chic as only a French bag can be. But the price so amazingly low seems hardly possible. There Bullock's vast resources play their part. Woven of metal beads in drawstring and envelope styles, showing conventional designs in soft pastel tints as well as vivid exotic coloring. A type which is usually much higher priced. \$10.

—Leather Goods Section, Bullock's Street Floor.

### Women's Hats Special for Saturday at \$5.50

On the third floor, at Bullock's Millinery Section, an extra special group of new felt and velours hats for four hours of intensive shopping until Bullock's closes at one o'clock.

Some are the popular vagabond shape. Interesting little felt hats and larger hats, too, for women who require larger head sizes. Smart fall shades. Surely an unusual value even for Saturday morning at Bullock's—at \$5.50.

—Bullock's Third Floor.

### Saturday, Junior Girls' Coat Sweaters at \$5.95

Just the right weight for fall. The type of sweater Bullock's has been having many calls for.

In beige, brown, Copen blue with bright color combinations in collar, cuffs and bottom. Sizes 30 to 36—at \$5.95 Saturday morning.

—Junior Sweater Section, Bullock's Fifth Floor.

### Collegienne Corsettes Here, Saturday at \$1.95

At Bullock's Fourth Floor Section, which specializes in correct foundation garments for high school and college girls as well as for women.

These corsettes of striped batiste, lightly boned over the abdomen, with elastic at sides and firm shoulder straps. Sizes 32 to 38 at \$1.95.

—Bullock's Fourth Floor.

### For Saturday Morning Sterling Silver, \$1.50

If the gift is of sterling silver it is sure to be appreciated. Such good looking pieces of sterling silver to be used in serving are specially priced for Saturday selling.

A collection including cold meat forks, sardine servers, olive spoons and mayonnaise spoons, all attractively boxed for gift giving. Unusually priced at \$1.50 each.

—Silverware Section, Bullock's Street Floor.

### For Saturday Morning 30 Doz. Sheets, \$1.50

Featuring Specially Purchased 81x99 in. Sheets in a Low Priced Saturday Morning Selling

Made of heavy sheeting—strong, durable, bleached. Regularly much higher priced. This one size (81x99 inch) to go out at but \$1.50 each.

Also 42x36-in. Rib-On Pillow Cases Reduced for Co-Selling to 30c each

—Bedding Section, Bullock's Sixth Floor.

Engerine Will  
Take Them Out

Too bad... Spilled something on your pretty dress? Don't worry—Engerine will take out spots. Put a little of this magic liquid on a cloth, give the spots a rub, and watch them disappear. If, by chance, you haven't bought your can of Engerine, get it from your drug, department or shoe store today. It's only 35c.

ENERGINE  
"THE PERFECT DRESS CLEANER"

## Do you have "hasty bites" at your house?

WHEN you need something for a "hurry-up" lunch think of Tillamook cheese with its famous flavor.

Put a generous slice between buttered bread or use one of the recipes from the "made in a jiffy" section of our little recipe booklet.

When you use Tillamook you don't skimp in food values. There are five quarts of rich, full-cream milk in every pound. Tillamook is high in tissue-building proteins (25%), butter fat (33%) and the important Vitamin B. Nutritious!

To be sure you may know you're getting Tillamook flavor we put the Tillamook name on every slice and handy-size loaf. Make this mark on the rind your cheese-buying guide. And write us today for our splendid little recipe booklet. It's FREE.

## SOCIETY

BY JUANA NEAL LEVY

One of the charmingly arranged affairs of the week was the garden tea with which Mr. and Mrs. Gordon Wallace Wattles entertained yesterday afternoon at their beautiful home on Curson avenue, Hollywood, the affair being in the nature of a farewell to Mrs. James Stuart Blackton, who is leaving in a few days with her daughter, Miss Marion, and son, Charles, for several years in the East and abroad. Mr. and Mrs. Richard Hagman, Ross Rains and Glacoma Raimi, also shared the honors of the afternoon. Mr. and Mrs. Wattles with their young son also are leaving a day or two for the East, visiting in Chicago, New York, Washington and returning home by way of their old home town, Omaha, planning to be away for at least six weeks. The beautiful garden of the Wattles home was ablaze with exquisite flowers and ferns and the tea tables were arranged beneath the trees, the being from 4 to 6 o'clock. Assisting the host and hostess were Mrs. Alexander Buchanan, Mrs. R. D. Shepherd, Mrs. Chester Turner Hoag, Mrs. Alice Pike Barney, Mrs. Harry H. Culpeper, Mrs. George C. Fiske, Mrs. Frederick Klamp, Mrs. William Irving Hollingsworth and Mrs. Chester Wallace Brown.

**For Bride-Select**  
One of the most popular bride-select of the season, for whom a number of attractive affairs are being given, is Miss Isabel Goss of South Catalina street, whose marriage to Gus A. Brelin, Jr., of San Diego, will be one of the beautifully appointed events of October 7. Tomorrow afternoon Mrs. Duane Jones is planning a bridge tea at her new home, 1212 Buxton avenue. Mrs. Jones formerly was Miss Shirley Craig, a bride of the year and the decorations will be carried out in the best motif. Those included will be Miss Goss, Miss Elizabeth Goss, Miss Katherine Von Tilberg, Miss Marjorie Krass, Miss Eliza Zettler, Mrs. Kenneth Stonier, Miss Mary Louise Ryan, Miss Rains, Mrs. Harry Blaecker, Miss Gertrude Klee, Mrs. Folkner Neal, Mrs. Paul Neal, Miss Ardis Richardson, Miss Barbara Biedson and Miss Marjorie Sperry. Both Miss Goss and Mr. Brelin were graduates from University of Southern California, where the former is a member of the Tri Delta and Mr. Brelin is a Sigma Phi Epsilon member.

**Home from Trip**  
Mr. and Mrs. Hugh M. Kice of Muirfield Road, with their attractive daughter, Miss Gertrude, have just returned from an extended eastern trip, where they visited in Chicago, Washington, D. C., New York and other great cities on the Atlantic coast.

**For Out-of-Town Guests**  
A delightfully planned affair of recent date was the tea with which Mrs. Gene Kuder entertained in honor of Mrs. Harry Steele and Miss Farada Murlin of Kansas, who are returning from several months in Hawaii. Miss Jean White and Miss Anne White of Dallas, Tex. The color scheme was carried out in lavender and pink tulle. Included were Mrs. Marion Gordon, Mrs. Guy Warden, Mrs. Percy Griswold, Mrs. Lottie Busby, Mrs. Walker Eng, Mrs. Walter St. Clair, Mrs. Mary Walker, Mrs. Bruce Kimball, Mrs. Tom Murray, Mrs. C. J. Pantier, Mrs. Anna, Mrs. Minnie Nary of Santa Ana, Mrs. Paul Otto, Mrs. Darwin Medaris, Mrs. Mrs. Buring, U. Cain, Mrs. Jean Hyland, Mrs. Hall Clark, Mrs. Orville Scurr, Mrs. Jenna Adams, Mrs. Neff and Miss Charlotte Busby.

**At La Jolla**  
Mr. and Mrs. John Burnham of Chicago and Pasadena, who have been enjoying several months at the Casa De Manana in La Jolla, have returned to their home in Oak Knoll. Accompanying them were their charming young daughter, Miss Katherine, who is leaving immediately for Tarrytown, N. Y., where she will pass the coming year at finishing school, and their son, John Burnham.

**Entertaining Guests**  
Mrs. Amelia Hoberg of 2333 East First street, Long Beach, has been

## Of Interest to Women.

PLANS OPERA WEEK AFFAIRS

Committee Member Will Entertain

(Sydney for National Illustrated News Syndicate)  
Mrs. Giles Stark Hall

ONE of the most enthusiastic members of the women's committee of the Los Angeles Opera Association is Mrs. Giles Stark Hall of Rampart boulevard, who is planning a number of informal affairs for opera week. Mrs. Hall's daughter, Miss Virginia Hall, is an accomplished artist, and is a student at the Otis Art Institute, planning to go abroad in the spring to continue her studies. Mrs. Hall also is an active worker in the Assistance League.

**Around the World**  
Mr. and Mrs. Frank H. Nichols are planning an extended trip around the world, sailing from Los Angeles Harbor aboard the steamer Carinthia October 15. They will proceed to Honolulu, Japan, China, the Philippines, South Seas, New Zealand, Australia, Java, Ceylon, India and Egypt. On arrival at Naples they are planning an extended motor trip through the continent of Europe and later through the British Isles.

**From Trip**  
After a delightful visit to the Hawaiian Islands, Lieut. and Mrs. M. Russell Kelley have returned and are house guests of Mrs. B. Haddix, 144 West Santa Barbara street, before taking up their own quarters.

**Going East**  
Miss Ulric Cole, the talented daughter of Mrs. Emeline Cole, is leaving shortly for the East, where she will pass her third winter in New York City, taking up her musical studies there. Miss Cole has been much entertained during her visit to her old home town of Los Angeles, among the hostesses being Miss Berenice Hawley, Mrs. H. H. Hawley, who recently gave a most delightful week-end party at her parents at Malibu Lake Club, Miss Cole being the specially honored guest.

**At El Caballero**  
With the opening of its beautiful golf course, a season of extensive social activities has been inaugurated at El Caballero Country Club, many dinner parties and luncheon-swinging affairs featuring the early fall. Sunday elaborate dinner parties were given by Mrs. and Mr. C. O. Hager, Dr. and Mrs. Homer Waldo Spiera, Mr. and Mrs. H. H. Hawley.

**Deputy Sheriff**  
Giles Stark Hall, deputy sheriff of Los Angeles county, was before the county Civil Service Commission, to which he had appealed in connection with charges of intoxication and interference with Orange county deputies in the course of a raid on the Long Beach County Club at Huntington Beach, July 22.

Orange county officers declared that they had found Blaisdell under the influence of liquor at the club, and that he had hampered them in the raid. Blaisdell denied having been intoxicated, and said he merely protested against what he termed the "unusual roughness" of the raiders. He said that three weeks had elapsed before any action was taken against him.

Blaisdell has been with the Sheriff's office for sixteen years. The case was continued until next Thursday.

**Alumni Dinner**  
The coming meeting of the Pasadena branch of the Alumni of Northwestern University will be held tomorrow (Saturday) evening, in Dr. Jocelyn Manning's garden and study, The Adobe, Under the Eucalypt, 171 North Gray avenue. A Spanish dinner will be served around an out-of-door fire at half-past 6 o'clock.

## The Good Old Way

Heinz still bakes beans in ovens, with dry heat.

Still goes to all this extra trouble and expense in order to give you the old time flavor and nourishment.

Still insists that every modern method be employed to insure purity and cleanliness.

ANSWERS TO MOTHERS

God could not be everywhere; therefore He made mothers.—Jewish Proverb.

**WARNING!**  
Do not leave any form of medication around where children can get it! In the statistical bulletin of one of the large insurance companies there is report of more than 100 deaths among the insured children, from poisons eaten.

Styrene compounds, accounted for twenty-four deaths, and from the information available regarding these deaths, it appears that poisons and cathartics containing strychnine were the most important sources of the poisoning. Exterminators containing arsenic, kerosene and paraffin, lyso, cresol, carbolic acid, turpentine and bromine polish and potassium silver cyanide, were mentioned as other things causing deaths.

Such articles as the latter should be labeled "Poison" and they should also have a tiny bell tied around them, or adhesive plaster strapped on their covers in such a way as to be able to differentiate them by the feeling, so that adults who are careless enough to take medicines in the dark, should be warned.

No matter what precautions are taken with labeling, no such things should be kept within the reach of children. A committee of the American Medical Association is working actively to procure the enactment of laws requiring proper labeling of packages containing caustic, lyso and other corrosive substances. Through their efforts, laws have been enacted in several States.

In one of the medical exhibits at the recent A. M. A. convention, one of the most pathetic things I saw was the photograph of some children interestedly watching themselves being fed through funnels attached to tubes, passed through their abdominal walls. The scar tissue which resulted from the burns of lyso solution swallowed, had obstructed their esophagus so that food could not be given naturally. Abdominal operations had to be performed, so

liquid food could be fed into the stomach; the medical men who had been called in to treat the children were all dead, and the children were all dead.

**PUT POISONS OUT OF YOUR HOME**  
Mrs. E. E. Peters, who has been a prominent worker in the campaign to have poisons labeled, has been successful in having the following list of poisons removed from her home:

# Special Court of Inquiry Seeks Cause of Shenandoah Disaster

The Graphic Story of the Air Disaster Which Destroyed the Shenandoah and cost the lives of fourteen men, was given in detail by survivors of the crew before the special court of inquiry which convened at Lakeside Monday. The outstanding feature of the testimony adduced to date has been that involving the question as to whether Commander Lansdowne, the dead commander of the dirigible, advised against the trip because of weather conditions. Testimony shows that this feature was not stressed by Commander Lansdowne. At left is Rear-Admiral Hilary P. Jones, president of the board. Middle photo shows roll of surviving officers and crew being called. At right is Capt. Paul Foley, judge advocate. (P. & A. photos.)

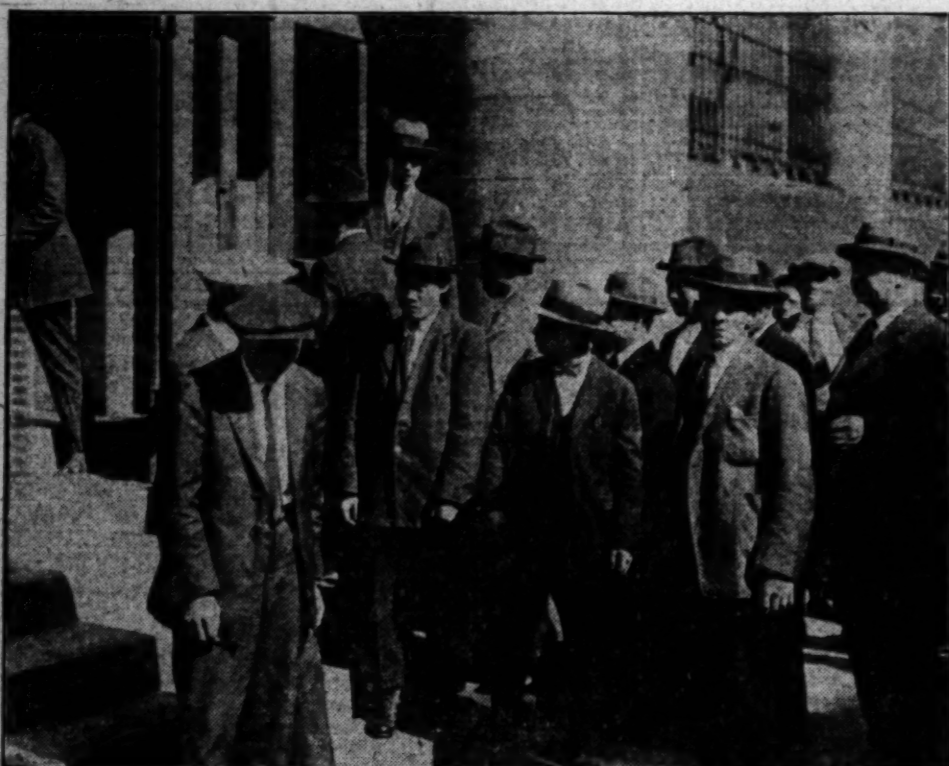

Using His Teeth to Direct His Pen, Sam S. Sloan, State Treasurer of Arkansas, recently signed his name 1300 times to improvement bonds for the University of Fayetteville. The task was accomplished by Sloan without difficulty and in a record length of time. (P. & A. photo.)

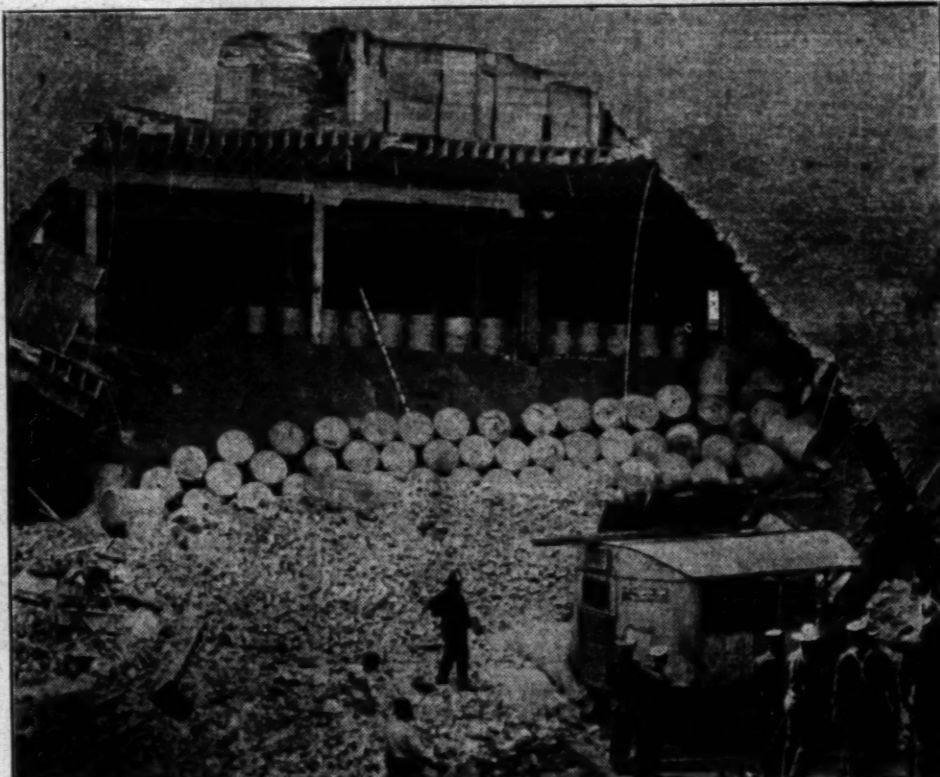

The President Lost One of His Cooks when the romance of Margaret Carr and Jerry Shea (both above) ended in a march to the altar several days ago. Shea, a chauffeur for one of the President's friends, met his bride at White Court, summer capital. (P. & A. photo.)

Shenandoah Disaster Brought Fortune to Charles Niswonger, owner of the Ava, O., upon which part of the wrecked dirigible fell. Niswonger (above with wife) cleared \$10,000 through admission charge property and sale of water. (P. & A. photo.)

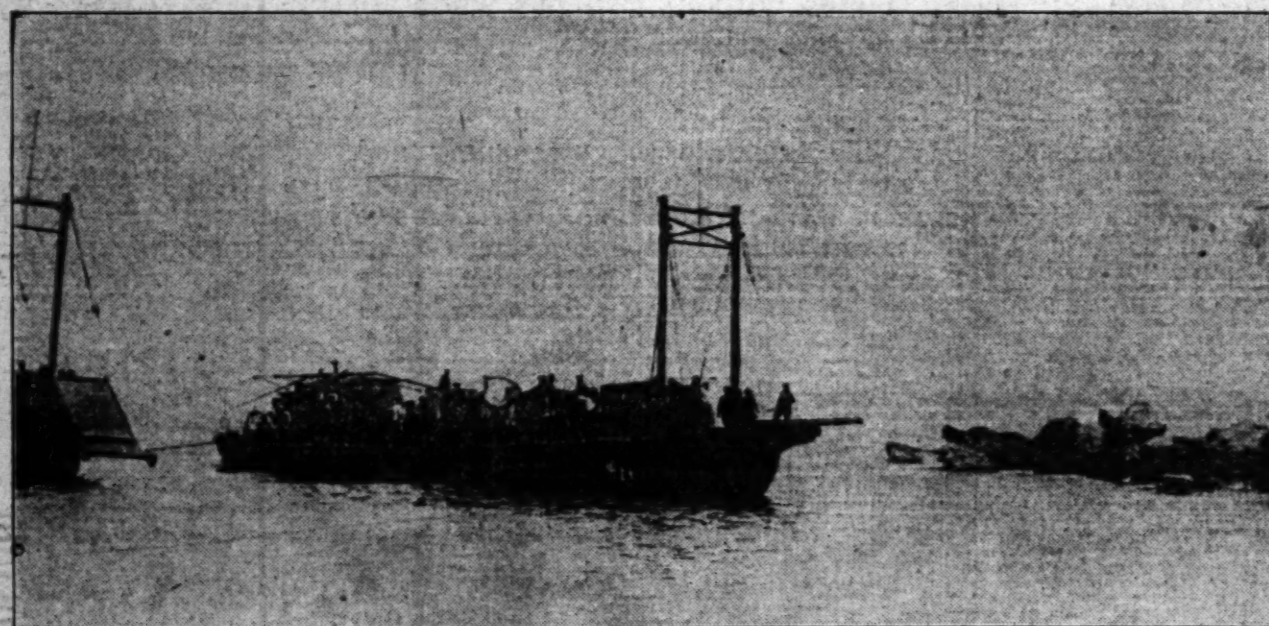

Wholesale Round-up of Chinese in New York has brought to a close the tong war which flared forth simultaneously in several large eastern cities a few weeks ago. Photo shows part of the group of Orientals held by police for deportation. The round-up nipped plans for another outbreak. (P. & A. photo.)

Three Men Are Believed to Have Died in the collapse of the rear wall of a brick building at San Francisco Wednesday. Excavation on an adjoining lot is held responsible. Photo shows firemen assisting steam shovel workers in search for the bodies of the supposed victims. (P. & A. photo.)

An Engagement of Three Years' Standing was announced today with the marriage of George A. Carruthers of Montreal, the vert, well-known stage and screen actor, and a girl, who came engaged in 1922. (P. & A. photo.)

The Landing of Spanish Troops at Alhucemas Bay, Morocco, was Accomplished only after considerable losses had been sustained as a result of the concentrated Rifian fire directed on the landing parties. These troops were under fire at the time the photograph, among the first showing actual action in combined French and Spanish campaign against the Moroccan tribesmen, depict the landing of a detachment of Spanish troops under fire. Photo at left shows a protection of the French battleships in the harbor. At right, the same party is shown crossing the sands at "double" to gain the protection of the underbrush ahead. These troops were under fire at the time the photograph was taken. (P. & A. photos.)

Barthelemy gives a delightful performance of the "gob." Although this is the young actor's second comedy role in a short time, the other being the dis-

Some six years ago Barthelmess was signed by David Wark Griffith to be leading man for Dorothy Gish in a series of comedies. Gish

With Miss Gish Barthelmess appeared in "The Hope Chest," "Boots," "Peppy Polly," and "I'll Get You Yet." That in 1919

Shortly after he made his sensational hit in Griffith's "Broken Blossoms." After that Barthelmess had no further opportunities to work in comedy until "New Toys."

## Lady, Be Good Players Adopt Carrot Rations

"A carrot a day keeps the doctor away" is the new slogan back stage at the Mason Theater, where the musical comedy, "Lady, Be Good," is holding sway.

Kitty Coner started the tradition. Some one told her carrots were healthful, and she had the property man bring in a bunch every night. Then her sister Rose started munching carrots, and then T. Roy Barnes, and now the entire company is on the carrot diet.

Even the chorus girls are substituting them for their customary between-the-act lunch of candy. So here's a tip to any admirer of a "Lady Be Good" girl. Buy carrots by the bushel.

## CITIZENS JOIN MERRY CHASE

### Fleeing Prisoner Forced Up Telegraph Pole

**Pasadena Teachers Start Wild Pursuit**  
**Police Arrive and Escort Man to Jail**

By a "Times" Staff Correspondent  
PASADENA, Sept. 24.—Pursued by a crowd of thirty citizens, three of whom are teachers in the John Muir Junior High School, Edward Ludlow, 384 Ashland street, was captured after a run of seven blocks through the business district of the city this afternoon, and was arrested on a charge of indecent exposure in the presence of children.

Ludlow is said to have been dabbling in front of a group of girl students of the John Muir school when the three teachers saw him after their attention had been attracted by the girls' screams. The teachers ran out of the school building and Ludlow immediately attempted an escape.

As the headlong flight swept down the sidewalk into the busiest part of town, citizens, both men and women, joined the forces of the pursuing crowd, until its number reached nearly two-score.

The crowd surged across Colorado street, the city's main thoroughfare, and dashed up Euclid avenue. At the corner of Euclid street, one of the teachers, who had run the entire distance, executed a flying tackle and brought down his prey just as the fugitive was making a frantic attempt to climb a telegraph pole.

Officers who had joined the chase then came up and the man was arrested.

Ludlow is employed as a mechanic, and told the officers that he is married. He is 30 years of age.

## Closing Days of Fair to be Blaze of Glory

[LOCAL CORRESPONDENCE]  
SANTA ANA, Sept. 24.—With previous attendance records broken by today's crowds, preparations are being made to accommodate even greater throngs tomorrow and Saturday, the closing days of the Orange County Fair, which has made this city the Mecca for all Southern California.

Tomorrow's program includes band concerts and selections by the Spanish troubadours, whose concerts among the colorful exhibits of the fair grounds have been a picturesque feature of the exposition.

At 1:30 o'clock tomorrow afternoon, Curt Burrell will start his famous string of outlaw broncos for the rodeo in the great arena, and some thrilling exhibitions of horsemanship are promised, as he has saved the toughest specimens for the last two days of the fair.

Wild-cow milking, steer-riding, potato and polo races and a number of novel gymnastics contests also are on the afternoon program under the direction of Ed Stinson.

Tomorrow night, the second and last horse show of the fair will be staged in the arena, with special classes for three-year-olds and five-year-olds and a number of prize fights.

A continuous round of festivities is arranged for Saturday, including a football game between the rodeo and the arena stage, and the "Birth of an Empire" will be given on the arena stage, and Catherine Bradford will be crowned "Queen of the Fair" by the "King Valencia," with special ceremony, and as the royalty of the fair will lead the merriest in grand carnival to close the exposition.

## BAKERSFIELD MAN ON STATE PAY ROLL

[RECEIVED DISPATCH]  
BAKERSFIELD, Sept. 24.—Dr. C. E. Pryor, well-known local dentist, has been appointed a member of the State Board of Dental Examiners to succeed Dr. Arthur E. Hackett of San Francisco, according to word received from Sacramento today. The appointment was made by Gov. Richardson the 22nd inst.

In making the appointment Gov. Richardson said, "Dr. Pryor is a dentist of national reputation, who is now attending the national dental convention at Louisville, Ky. He is splendidly qualified for the place on the State Dental Board and will add to its standing and influence."

Dr. Pryor is well known in Bakersfield and Taft, where he has been practicing dentistry for the last twelve years. During the last few years Dr. Pryor had his offices established in this city and was formerly in business on the West side. Before he came to his home in Bakersfield Dr. Pryor will visit relatives in Ohio.

## DAUGHTER OF EDITOR DIES AT MONROVIA

[LOCAL CORRESPONDENCE]  
MONROVIA, Sept. 24.—Mrs. Lucille Lausier, 25 years of age, daughter of C. O. Broxon, publisher of the Monrovia Messenger, and formerly assistant secretary of the Chamber of Commerce here, died at noon today at the home of her parents, 323 East Palm avenue.

For several years she had fought a losing battle with heart trouble. She is survived by her husband, Ernest Lausier, and a 3-year-old daughter; her parents, a sister, Margaret, and one brother, Paul Broxon, a Los Angeles attorney. Funeral arrangements had not been announced this afternoon.

## EXPERTS AS WITNESSES

### Criminologists Testify Against County Official on Trial at El Centro

[EXCLUSIVE DISPATCH]  
EL CENTRO, Sept. 24.—Two handwriting experts testified today at the trial of Supervisor J. Roy Adams on a forgery indictment that one person had done all the writing on three county demands that had been introduced in evidence.

This testimony was intended to show that the Supervisor had written the names of Charles Roberts, George Main and Frank Shubert on the demands, which called for payment for road work supposed to have been done for the county in Adams' district.

Supervisor Adams is asserted to have obtained more than \$22,000 from the county treasury by a system of "padding" the pay roll of roadworkers in his district. The State is attempting to show to the jury that the Supervisor not only filled in the blanks in the demands, but also wrote the names of Charles Roberts and Shubert on the demands each month during a period of nearly four years, then swore to the claim and to the demands and later signed the same names on the warrants and collected the money indicated from the Treasurer.

Both E. O. Heinrich, criminologist of San Francisco, and J. Clark Seligson, criminologist of Los Angeles, exhibited photographs of the various items of handwriting on the demands and warrants and then expressed their opinions that the same person had written all of them. Heinrich dwelt at length on the similarity of the writing and explained his reason for his opinion. Sellers will testify again to the fact that he did not know any of the men named.

## AWAIT COURT DECISION

### Validity of Recall Petitions up to Superior Judge

[LOCAL CORRESPONDENCE]  
SOUTH GATE, Sept. 24.—It is expected that the recall case now in the Superior Court will be settled the latter part of next week, at which time it will be decided by the court whether the petitions circulated for the calling of a special election to recall the city of South Gate, C. J. Stridvick and Fred A. Schmidt are valid.

The suit, it is stated, hinges on the word "recall" in the local petitions. In the affidavit of circulation there should have been the words "recall and elect," it is stated, but it seems that certain parts of these petitions, which were circulated in parts of the word "written" was left out.

It is the contention of the attorneys for the board that the omission of the word invalidates the petition.

The court has given five days in which to file a brief in support of the arguments and three days in which to file a brief in support of the petitioners' attorneys.

This will take until the latter part of next week or some time the following week.

## SMALL BOY VICTIM OF FATAL ACCIDENT

[LOCAL CORRESPONDENCE]  
ORANGE, Sept. 24.—Before the horrified gaze of his mother, who stood near by powerless to help, Robert Holt, aged 4, son of Mr. and Mrs. C. H. Holt, of East Orange avenue, this city, was struck down by an automobile in front of his home yesterday afternoon. The injuries which resulted in his death while being rushed to a hospital a short time later.

The little boy's sister, 17-month-old, was rushed to the ground while attempting to cross the street to his home by an automobile. The car, a 1924 Ford, was driven by a fugitive employed by the Orange County Pumphoning Company, Sanval, who had been arrested after the fatal crash, picked up the crumpled little form, and, assisted by the little boy's sister, rushed to the office of a local physician. Realizing that an operation would be the last resort that might circumvent the boy's death, he was rushed to the Orange County Hospital, but died on the way.

## INVESTIGATE CAUSE OF DEATH OF STRANGER

[RECEIVED DISPATCH]  
BAKERSFIELD, Sept. 24.—Sheriff's officers and Coroner N. C. Rouse are investigating circumstances surrounding the death of William Hart, who passed away in the Fellows Hotel last night. According to the officials, Dr. William Charles Johnston of Fellows, who attended the case, has refused to issue a death certificate because of suspicious circumstances surrounding Hart's death.

It is said that Hart, who is not known in the Fellows district, suffered terrible agonies before he died. He was unable to explain the cause of his pain, and had not spoken to anyone at the time of his death. It was stated.

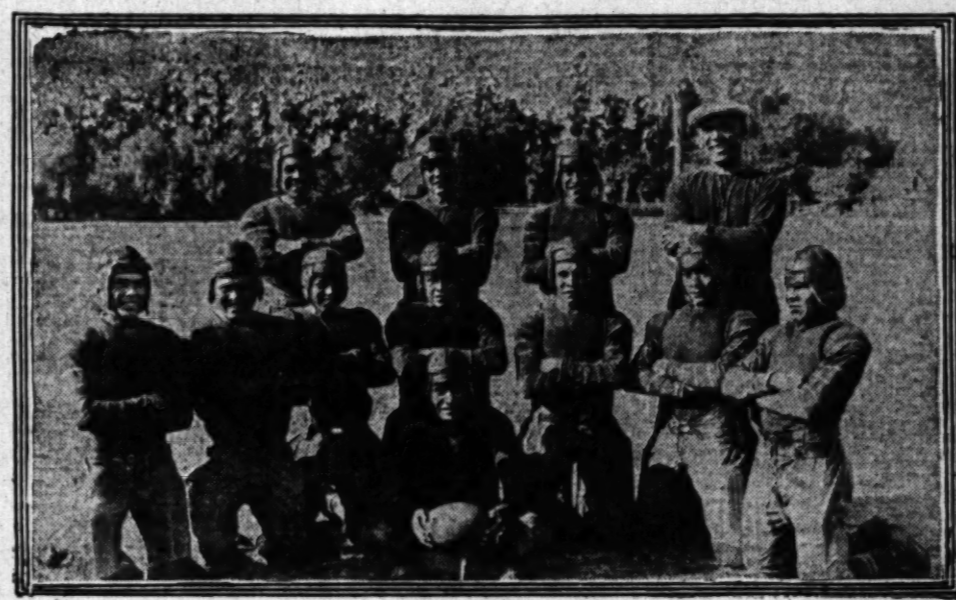

## ROTARIANS MEET AT BAKERSFIELD

[RECEIVED DISPATCH]  
BAKERSFIELD, Sept. 24.—Nearly 100 Rotarians from Fresno, Taft and Delano arrived in Bakersfield this afternoon to share in the largest intercity meeting of the Rotary clubs ever held in the San Joaquin Valley. The banquet meeting was held at the Hotel Taft. Cafeteria at 7 o'clock this evening. Including local Rotarians, approximately 170 members shared the banquet.

The program was presented under the auspices of the Fresno club, headed by a group of Taft Rotarians. In the absence of the president, Frank W. Whittaker, A. C. Dimond welcomed the visitors. The committee from the local club was composed of Van McCutchen, G. E. Adams and Sabert Leidy.

## READY FOR FAMOUS GRIDIRON BATTLE

### Football Game Feature of Riverside Fair

Sherman Indian Institute Team  
Left to right, upper row—William Loretino, Jerry Cole, Ross Julian and Benius Pierce, coach. Left to right, center row—William Arenas, Luke Wilk, Edward Roosevelt, Pedro Elmore, Mack Teos, Oscar Basani and Bibly Lomas. Lower center—John Nick, captain.

## Highway is in Fine Condition Despite Reports

[RECEIVED DISPATCH]  
RIVERSIDE, Sept. 24.—Motorists have been misled as to the condition of the highway into California from Arizona by way of Blythe, according to advice by Mayor L. Schenck, secretary of the Riverside Chamber of Commerce, from T. Mahanck, secretary of the Verde Valley Chamber of Commerce.

Mr. Mahanck states that tourists desiring to leave Arizona to come to California are being misled by the Riverside Chamber of Commerce, which he declares, motorists are being informed is the only available entrance into this State.

Travelers, consequently, are either remaining in Arizona until repairs on the dam are completed, or shipping their machines and coming into California by train, Mr. Mahanck says. The reports are false, according to the Verde Chamber head, who states that the highway from Blythe to Yuma is in excellent condition and that many tourists, refusing to be misled as to the state of the road, are passing through Blythe daily.

## Clubman Taken in Raid Denies Liquor Charge

Edward Allen, one of three prisoners taken in a Wednesday-night raid on the so-called Los Angeles Newspaper Men's Club at 413 West Hill street—an organization to which no newspaper men belong—was arraigned yesterday by Judge Chambers' court, pleaded not guilty to possession of liquor and asked a jury trial. The case was transferred.

Max Brown, scheduled for arraignment in the same court, did not appear yesterday. He is charged with the same offense. Mrs. May Parker, an asserted lookout, is to come before Police Judge Bullock.

The raid was conducted by Sgt. Childers and other officers of the police. In the raid, a large amount of equipment in his establishment. His loss is estimated at \$22,000. It is a link in the chain of the last of the flames were wiped out. The site of the fire is located in the strip of territory between Slauson and Malabar streets, which is in county territory.

## READY FOR WORK ON CANYON DAM

[LOCAL CORRESPONDENCE]  
MONROVIA, Sept. 24.—Everything is in readiness for construction of the \$450,000 flood control dam in Monrovia Canyon, and work will start as quickly as the State Engineer approves the plans. The dam is to be built on the right bank of the river, in charge of the local project.

Bedrock has been located and a roadway completed to the dam site. The concrete dam will be 100 feet high and will be strengthened to carry heavy trucks and an entirely new road cut through from the fork at one mile up Monrovia Canyon to the dam site.

## LABOR FEDERATION RETAINS PRESIDENT

[RECEIVED DISPATCH]  
SAN DIEGO, Sept. 24.—Roe H. Baker was re-elected president of the California State Federation of Labor this morning when the expected opposition against his reelection in office failed to materialize. He was installed as president at a banquet given at the Hotel Hamilton.

A delegate to the national convention will be elected today. Secretary Paul Schenck and the vice-presidents of the State body were retained in office without any opposition.

## SUE SANTA ANA DOCTOR

[RECEIVED DISPATCH]  
SANTA ANA, Sept. 24.—Dr. Merrill W. Hollingsworth, prominent Santa Ana specialist, was made defendant today in a suit for \$10,000 damages filed by Mr. and Mrs. John Erba. The Erbas assert that last February, Mrs. Erba was under Dr. Hollingsworth's care and received electric treatment. Negligent operation of the appliances caused a severe burn on one leg, which injury developed into an ulcer, they declare. Attorney W. F. Menton represents Mr. and Mrs. Erba.

## HUNTINGTON PARK SCENE OF BLAZE

### FIRE DESTROYS ROW OF FRAME BUILDINGS WITH LOSS OF \$30,000

[LOCAL CORRESPONDENCE]  
HUNTINGTON PARK, Sept. 24.—A disastrous fire, sweeping a row of frame buildings on the north side of Slauson avenue, just east of Santa Fe avenue, occurred at 11:30 p. m. today. The fire, which was caused by a gas leak, destroyed a row of buildings, including a restaurant, a bar, and a rooming house. The loss is estimated at \$30,000.

John Nick, captain of the team, will play quarterback and has shown some speed in the try-outs, which will be held at the Huntington Park school in the afternoon of Indian Day, which is October 1, next, and the local boys are holding heavy workouts every day in order to achieve the peak of perfection.

Benius Pierce, Carlisle graduate, is acting as coach, and has picked the finest from a bunch of more than 100 huskies.

John Nick, captain of the team, will play quarterback and has shown some speed in the try-outs, which will be held at the Huntington Park school in the afternoon of Indian Day, which is October 1, next, and the local boys are holding heavy workouts every day in order to achieve the peak of perfection.

Another feature of the Indian day will be a field meet, at which time the Huntington Park team will be the star. Humphrey has a record of running six miles in 31m. 18s.

According to reports from the local fire department, which were on the scene, the blaze had been under way for some time before the alarm was sent in.

The Huntington Park department, which was called to the scene, found the fire in a building which was used for storage of lumber. The fire was caused by a gas leak, which had been under way for some time before the alarm was sent in.

## GLENDAL TO HAVE AIRCRAFT INSPECTOR

[LOCAL CORRESPONDENCE]  
GLENDAL, Sept. 24.—The appointment of an airplane inspector was authorized today by the City Council, following the recent adoption of an ordinance regulating the activities of airplanes above the city. The salary for the airplane inspector has been fixed at \$15 a month and City Attorney Ray L. Morrow was instructed to prepare an amendment to the city salary ordinance providing for the inclusion of this item on the list. The selection of the new inspector will be made in the near future, it is stated.

## ANOTHER VALLEY ROAD IS OPENED TO TRAFFIC

[LOCAL CORRESPONDENCE]  
ZELDAH, Sept. 24.—The paving work on Route 24 from Redondo avenue to Canoga avenue, a distance of three and a half miles, has been completed and the highway thrown open to traffic. The new pavement, twenty feet wide and is most important in the development of the west end of San Fernando Valley, in that it is a connecting link with the Santa Susana Pass Road, affording a new east-and-west artery for valley travel. Oswald Brothers were the contractors on the new improvement, having done the work in record time since the first grading started.

At the age of 83 years, and clad in a one-piece bathing suit, Mrs. Anna Vansike recently celebrated her birthday by completing a ten-mile swim at Venice, Cal.

## BABE IS RESCUED BY MOTHER

### Woman Saves Life of Child as Flames Destroy Ranch Home

[RECEIVED DISPATCH]  
UPLAND, Sept. 24.—With barely sufficient time for the mother to rescue her 10-month-old son, Billy, from an adjoining room when an exploding oil stove this afternoon quickly flooded the bungalow in which they resided on the C. C. Hamilton ranch on Carnelian avenue, Alta Loma district, with flames, Mr. and Mrs. Harry Snyder suffered the loss of all their furniture, household belongings and wearing apparel.

Mrs. Snyder was seated in the fore part of the house when startled by the explosion. She rushed to the kitchen in first stage of flames and quickly bethought herself of her sleeping child. By the time she had gotten the baby outside, the flames had gained such headway that she was unable to return. The Alta Loma fire department made a quick run in response to an alarm, but could only prevent the spread of the flames to other structures. The loss is estimated at \$3000.

Hamilton, who owned the house, carried \$500 insurance. The contents were not insured.

The palatial \$40,000 residence of the late Mrs. Frances Paul, Euclid avenue, was seriously threatened last night by a fire believed to have started from a defective electric wire. A rear screened porch, the kitchen and a maid's room were burned. Good work of the fire department saved the remainder of the structure. The loss, fully covered by insurance, today unofficially estimated at \$5000.

## PLANT GOLDEN TROUT

### State Sends Fish to Warden at Ontario

[RECEIVED DISPATCH]  
ONTARIO, Sept. 24.—Anglers of this section and others were interested today in the announcement that the State Department of Fish and Game warden, that more than 400,000 trout, chiefly of the rainbow variety, are to be planted Sunday in the waters of San Antonio, Ice House and Bear canyons, to the north of this city.

Mr. B. J. Lomas, left and word of the coming of the fish from the State Fish and Game warden, which has been a long time in the making, and a corps of assistants will be with the planting of the fish, included in the shipment of some twenty cases of fish from the Mt. Whitney hatchery will be two cases containing some 5000 of the golden trout variety. As this species requires very cold water, they are to be planted in Upper Ice House canyon, where the temperature of about 7000 feet, it is said.

This will mark the first planting of golden trout in the State and the State and fishermen will watch the experiment with more than ordinary interest.

## COMMENCES ACTION TO BREAK CAMP WILL

[RECEIVED DISPATCH]  
HANFORD (Cal.) Sept. 24.—The Lee Camp murder case is again to the fore. Yesterday afternoon Preston Higgins of Oakland, attorney for Mrs. Pearl Camp, filed a writ of habeas corpus in the Superior Court to revoke the appointment of Mrs. Jennie Laura Brown, foster mother of the slain son of Lee Camp, as executor of his estate, to invalidate Camp's will leaving all his property to Mrs. Brown, and to invalidate also the claim of Mrs. Brown, foster-mother of the slain son, on which she has already received \$18,000.

Mrs. Brown, J. H. Tipton, her uncle, and Fred Mills, foreman on the Brown ranch, are all in the Hanford County Jail having been convicted of second-degree murder. Next Monday was set for hearing the petition.

## FALLS FROM TRUCK; IS BADLY INJURED

[RECEIVED DISPATCH]  
ONTARIO, Sept. 24.—Emmett Turner, 30 years of age, of 938 West Fifty-first place, Los Angeles, was at the San Antonio Community Hospital this evening suffering from a basal fracture of the skull, sustained when he fell from a moving truck and struck his head on the pavement of South Euclid avenue.

Turner, who is an employee of the Kimmerle Company of Los Angeles, was returning with a party of workmen who had been engaged in the construction of a new building on the south of the city when the accident occurred. His companions were unable to explain how he happened to fall from the truck. Turner was picked up unconscious and taken to the office of Dr. S. A. Craig and later removed to the hospital. His condition was reported favorable to night.

## WHITTIER HIGH TEAM IN IMPROVED SHOWING

[RECEIVED DISPATCH]  
WHITTIER, Sept. 25.—Coach Don Douglas at Whittier High is developing a fast-point football team. After a very dismal pre-season prospectus. Only two veterans remained from the team of last year around whom Douglas could build a team. They are Partridge, captain, and fullback, and House, tackle.

The Whittier schedule includes the following games: October 17, at Whittier at Pasadena; October 24, at Whittier at Alhambra; November 1, at Whittier at San Diego; November 8, at Whittier at Glendale; November 11, at Whittier at Long Beach at Whittier.

## AWARD PRIZES AT BIG RACE

### San Joaquin County First Prize of First Prize

[RECEIVED DISPATCH]  
POMONA, Sept. 24.—The Pomona Fair and Long Beach Fair, which are the two biggest of the kind in the Los Angeles County, might also have been the biggest of the kind in the Los Angeles County, if the Pomona Fair had won the first prize of \$412,647.13, which was awarded to the Pomona Fair for its contribution to the Los Angeles County Fair.

This image shows the fore-edge of a very thick, antique book. The pages are numerous, tightly packed, and show significant signs of age, including discoloration, staining, and wear along the edges. The binding material, likely leather, is visible along the right edge, showing a dark, textured surface with some wear and small holes. The overall appearance is one of great age and historical value.
